**The Telephone Story**

"Canada and the Telephone" is the name of an illustrated booklet which has just been published, and which gives some very interesting facts in regard to the telephone in Canada. The illustrations also indicate the value of a telephone in the rural home. If you are interested in reading the story and seeing these interesting sketches, write us and we shall be glad to mail you a copy free of cost.

TELEPHONE INSTRUCTIONS

If you are thinking of building a telephone line and you would like some information in regard to the best methods of construction, we will be very pleased upon request to send you free of charge a copy of our NO. 2 BULLETIN, which is also illustrated, showing exactly how to build telephone lines.

TELEPHONE EQUIPMENT

If you require telephones either for your local or party lines, it will be to your advantage to give us an opportunity of quoting you on your wants. The thousands of telephones we have now in service are giving the very best of satisfaction, the kind of satisfaction that is bringing us new business every day. Our telephones are fully guaranteed. We are a Canadian company, manufacturing telephone equipment and building up our business on the quality of our goods. If you have never used our telephones, write us and ask for a trial-order proposition.

TELEPHONE SUPPLIES

We carry a large stock constantly on hand of all materials necessary for the construction of a telephone line. These materials are first-class in quality, and we are in a position to give prompt attention to all orders sent to us. It will pay you to let us quote you on your supplies.

PROMPT SHIPMENTS AND GUARANTEED SATISFACTION ARE MAKING OUR SUCCESS.
