

Are You Awake To Opportunity?

EVERY man, some time or other, has Opportunity's door opened to him; but the great difficulty is knowing when it comes and being convinced to act.

THE BUCKEYE TRACTION DITCHER offers you an opportunity of unusual merit. Dig ditches in your neighborhood and net from \$15.00 to \$18.00 a day. Many are doing it. There is no trouble keeping the machine busy. Every farmer needs ditches; the old, expensive method of hand labor is a thing of the past. Our machine saves you from 25% to 50%, and digs from 100 to 150 rods a day. Farmers are insisting upon BUCKEYE ditches, because they are truer, of more perfect level and economical. Be the first in your territory to own the BUCKEYE TRACTION DITCHER. Our catalogue T will explain all. Write to-day for it.

are made from heavy No. 9 steel spring wire uprights. CYCLONE Ornamental Fences are dipped in green or white enamel. These fences have a special distinctive feature, which totally removes the chance of sagging or bagging. This has been arrived at by the use of two No. 12 wires twisted together to form the lateral wire: thus making a perfect lock or joint at the intersections. Booklets describing our full line of farm fences and gates suitable for lawns, parks or gardens will be sent you free on request. If our goods are not represented in your district write to us for our agency proposition.
