R. S. M. BONCHETTE,

DR. BAXTER'S CHALYBEATE An Iron Tonic for the Blood.

THE BLOOD IS THE LIFE. A new Medicine prepared by JOHN BAXTER, M. D.,

M. R. C. S. E., ST. JOHN, N. B. THIS INVALUABLE IRON TONIC has been extensively used in the private practice of Dr. Baxter for the last 8 years. The remarkable sale, and the beneficial results of those who have used Dr. Bnxter's Chalybeate in St. John, where it is known, is the best evidence of its curative power. Its success is that it is a Blood Food, and that it contains an alement which is necessary to the healthy lite of the blood, viz.—IRON, for without Iron the Blood would lose its vitality, it would die. This preparation has stood the test of years in private practice and can with confidence be recompanded to the public. The days of bleeding, blistering and mercury are gone by. It becomes all to husband their Blood, and Blood making powers. The battle of life will exhaust all soon enough. The weak, who are the great majority will find it just such a Tonic as they require.
