SAVE THE NATION!

For it is sadly too true that thousands of CHILDREN are STARVED TO DEATH every year by improper or insufficient FOOD.

It is all a great deal more than we have claimed for it. It is a REALLY NUTRITIOUS and easily assimilated FOOD, grateful to the most delicate and irritable stomachs, and especially adapted for the INFANT and GROWING CHILD.

Invalids, Nursing Mothers, and those suffering from indigestion will find that on trial.

It is all they can desire. It is carefully put up in four sizes. Constant users will find our No. 4 size (always the most economical size to buy) no much larger than formerly, thus materially lessening the expense.
