## OUR GREAT INTRODUCTORY OFFER

To secure widespread and favorable publicity for THE NEW STANDARD AMERICAN ENCYCLOPEDIA, we have decided to place a few introductory sets in each community throughout the country for comparison with all other reference works as to plan, scope, lateness of treatment and general practical and educational value. We feel that every set will create a demand for others. While the distribution will be general in extent, it will last for a limited time only, after which our regular subscription sale will begin, at prices ranging from \$4 to \$24 a set, according to style of binding. Now, however, to quickly and thoroughly introduce the work, as above stated, we make the price merely nominal (about the cost of manufacture), the full terms of sale being cash at latest, or sooner if we can for a sufficient number of these introductory sets to properly introduce the work at the special price has been established.

HOW TO SECURE ONE OF THESE SPLENDID SETS

SEND \$1 TO THE ENCYCLOPEDIA PUBLISHING CO., 156 FIFTH AVENUE, NEW YORK CITY, and a full set of eight volumes of THE NEW STANDARD AMERICAN ENCYCLOPEDIA, in a half-binding, will be sent out to you AT ONCE. The balance is payable at the rate of \$1.50 monthly for one year, or about 5 cents a day. If you prefer the half-Morocco binding, the monthly payment will be \$2, and for full sheep, \$2.50 per month for one year. We recommend the half-Morocco style, which is particularly elegant and serviceable, and will last a lifetime. If not as represented any set may be returned within ten days and money will be promptly refunded, owing to the nominal price at which these introductory sets are supplied, the cost of sending must be paid by the purchaser. For our entire stock of fine work and speak favorably of it to others. Send two-cent stamp for postage on 22-page illustrated pamphlet with sample pages, colored map, and portraits of famous inventors. We refer you to the publishers of this magazine. Ad-173
