## Our Position in Teas

OUR great endeavor is to get you to try our *EMPIRE TEA*. It is put up in bulk and packages. It retails at 25c, 30c, 40c, 50c, and 75c.

We are doing all in our power to offer you Extra Quality Teas at right prices. But all we may be able to do in quality and price avails nothing unless you actually set about giving the tea a trial. Will you let us have a chance to show you what we can do?

After you have tried the *EMPIRE TEAS* and made comparisons we won't solicit you any more. We are more than willing to let you be the judge then.

Will you give us the chance to "make good" with you?
