Country Produce

Note—Quotations are f.o.b. Winnipeg, except those for cream, which are f.o.b. point of shipment.

Butter

Butter supplies have fallen short lately and prices are up a cent on most grades. Fancy dairy is quoted 22-23 cents, No. 1 dairy 20-21 cents and good round lots 19 cents, with the probability of further advances soon. Several indications point to dearer butter this fall and winter. The United States tariff reduction on cream and butter will enable the farmers to choose their own market and send wherever prices are best. In some districts the hay crop has been light and some farmers are selling off their stock, which will curtail the dairy output of those sections. There are so many factors just now to be taken into consideration that dairy and creamery men are uncertain what the final results will be, except that stiff prices are almost assured.

Eggs

The egg market has firmed up to 25-26 cents a dozen for candled stock. Receipts have been only fair while the demand has kept up, so that higher prices are likely. For strictly new-laid eggs dealers are glad to pay as high as 28 cents a dozen and they only wish that more farms sent their eggs promptly each week and thus get the top price.

Potatoes

Potatoes are worth 35 cents a bushel, when sent in sacks. Some produce houses are wanting all the potatoes shipped in sacks. The advance in prices is expected to be permanent, for while the offerings are plentiful the local dealers can take a great quantity of the first class kind and store them. Shippers are warned not to send in any potatoes which the frost has got at. A few potatoes touched by the frost when wet, may cause a whole carload to be rejected, or the price to be cut, as the frosted ones will soon spoil and spoil the others.

Milk and Cream

The same schedule holds good up to the end of September, 30 cents for sweet and 25 cents for sour cream, per pound butter fat. With the beginning of October, however, the prices will be advanced, though it is too soon to say just how much. The supplies keep up well for the season, going considerably beyond last year.

Dressed Meats

Dressed hogs have advanced a cent, now being worth 13 cents and 14 cents in some cases. Other dressed meats are at last week's level, beef 10 cents, mutton 13 cents, veal 13-14 cents, and fresh lamb 16-17 cents. Winnipeg butchers are finding the Manitoba farmers too busy to ship any dressed meat, and this accounts for the advance in dressed pork.

Hay

Wild hay has come down a dollar, due to more plentiful deliveries, but Timothy is up from 82 to 83. Prices now ruling are No. 1 Red Top \$11-812, No. 1 Upland \$10-811, No. 1 Timothy \$16-817.

Hides, Wool, Tallow

Local dealers are quoting:
 Hides—Cured hides, 12 cents per lb., delivered in Winnipeg; green hides, 11 cents; western branded hides, 9½ cents to 10 cents; shearings and lamb-skins, 15 cents to 35 cents each.
 Tallow—No. 1 tallow is worth 5 cents to 5½ cents; No. 2, 4 cents to 4½ cents, delivered to the trade.
 Wool—Manitoba wool is bringing 10 cents to 12 cents per lb. for coarse; 11 cents to 13 cents for medium.
 Seneca Root—We quote, 46 cents to 48 cents per lb.

Furs

Winnipeg fur dealers are quoting the following prices delivered at Winnipeg, the prices ranging from No. 2 small to No. 1 extra large:
 Badger, 75c to \$1.75; bear, black, small, \$2.00 to \$10.00; medium, \$6.00 to \$12.00; large, \$9.00 to \$18.00; bear, brown, small, \$2.50 to \$18.00; medium, \$4.50 to \$12.00; large, \$6.50 to \$18.00; fisher, \$4.00 to \$25.00; fox, red, \$2.00 to \$8.00; fisher, \$4.00 to \$25.00; fox, red, \$2.00 to \$8.00; weasel, 25c to 75c; wolverine, \$2.00 to \$8.00; mink, \$1.50 to \$15.00; lynx, \$5.00 to \$18.00; dark, \$15.00 to \$75.00; silver, \$25.00 to \$150.00; dark, \$15.00 to \$75.00; martens, dark, \$8.00 to \$25.00; rats, spring, 25c to 50c; rats, winter, 15c to 40c; cats, fall, 10c to 30c; skunk, 75c to \$1.75; wolf, timber, \$1.50 to \$5.50; prairie, \$1.50 to \$4.50.

Stockyard Receipts

Receipts at the Winnipeg yards for the past week amounted to 1,393 cattle, 149 calves, 1,089 hogs and 1,707 sheep, compared with 1,882 cattle, 126 calves, 1,644 hogs and 954 sheep for the previous week. For the corresponding week last year the figures were 2,329 cattle, 1,982 hogs and 1,091 sheep.

Cattle

A light supply for this time of year, coupled with a good demand, raised cattle prices a full 25 cents on almost every line. Choice cattle are very scarce, few being worth 6 cents, but a few extra choice ones touched 8.25, the top notch for the week. Most of the best butcher steers and heifers were disposed of from \$5.50 to \$5.75, and the fair to good ones went around \$5.40 to \$5.60. Common butcher cattle fetched \$4.50 to \$4.85. Bulls were higher, a few choice head fetching \$4.50, but the bulk went for \$4.25. A better demand exists for stockers and feeders. Selected feeders weighing 850 to 900 lbs. are selling at \$5.50, with light stockers from \$4.75 to \$5.00, and up to \$5.25 for good enough quality.

Hogs

The hog trade was light last week, with values an even 9 cents on choice stuff. Heavy and rough hogs are 7 cents and stags 5 cents. No change is looked for in the immediate future.

Sheep and Lambs

Prices on sheep and lambs are unchanged. A fair quantity came to hand last week, but the
