NATIONAL THE MOTOR OIL FOR NATIONAL USE

We Get Thousands of Just as Enthusiastic Voluntary Letters as This, Which We Will Gladly Show You—Write!

"I have been buying oils for a number of years. My repair bills for burning out carbons were \$3 about every three months. My attention was directed to National Carbonless Motor Oil through the word 'Carbonless,' and although skeptical, I placed an order for a barrel. Although this is more than a year ago, my car has not been in the garage for carbon or lubrication troubles since, and it runs smoother than ever."
