EDITORIAL NOTES.

Since our last issue General Buller fought an eight hour battle on the banks of the Tugela River near Colenso it resulted in a repulse of the British with a loss of over a thousand men killed, wounded and missing and also a loss of eleven heavy guns.

Some time ago several farmers, living in the neighborhood of Detroit sold their farms and went to Jerusalem, expecting the Lord was about to appear and set up a Kingdom there.

ALMOST A DAILY--AT THE PRICE A WEEKLY.

The most widely circulated "weekly" newspaper in America is the Thrice-a-Week edition of The New York World, and with the Presidential campaign now at hand you cannot do without it.

It is issued every other day, and is to all purposes a daily. Every week each subscriber receives 18 pages and often during the "busy" season 24 pages each week.

The price is only \$1.00 a year. It is virtually a daily at the price of a weekly.

Its news covers every known part of the world. No weekly newspaper could stand alone and furnish such service.

The Thrice-a-Week World has at its disposal all of the resources of the greatest newspaper in existence—the wonder of modern journalism—"America's Greatest Newspaper," as it has been justly termed—The New York World.

Its political news is absolutely impartial. This fact will be of especial value in the Presidential campaign coming on.

The best of current fiction is found in its columns.

These are only some of the reasons; there are others. Read it and see them all.

We offer this unequalled newspaper and The Mildmay Gazette together one year for \$1.65.

The regular subscription price of the two papers is \$2.25.

PAID UP CAPITAL \$6,000,000. RESERVE FUND \$2,600,000.
