IMPRESSIONS OF OLD LONDON

Gr. F. B. Lawrence of Caniffion Sends Most Interesting Letter to His Sister.

Dear Sister: I hear you are going to have a Christmas tree in Caniffion, same as ever I suppose. Wish I was there just the same.

In the last letter I received from you, you asked me to write and tell you all about London when I went up on leave.

London is some place, one can get lost about every five minutes. They have some good shows here. I went for a brake ride and the first place we landed at was the Tower of London.

We then got in the brake, and I was glad to get going again. We were then driven down to St. Paul's Cathedral, which is a magnificent place inside.

We then went to Westminster Abbey. I have heard you often say, "You wish you could see Westminster Abbey."

We were then driven along High Park, which is very nice. We could see Queen Victoria's monument and Buckingham Palace.

They have some nice underground railways here. The English are very kind to the Canadians.

RUMOR DENIED

Ontario Department of Agriculture Dairy Branch Office of Hugh Howey, Dairy Instructor and Sanitary Inspector, Belleville, Jan. 3rd, 1917.

Editor Ontario: I think a great injustice has been done to Mr. Vermilyea by the circulation of the shameful rumor that he was fined twice during the season of 1916 for deteriorating his milk.

Dear Sir:—I wish to thank the electors of Thurlow for the splendid support they gave me in the recent Municipal Elections and especially at my home poll.

From the nature of the wound the police are satisfied that Thompson is not the man who stood at the door of Dr. F. J. W. Maguire's office, 778 East Jefferson Avenue, early Sunday morning, seeking help.
