An Unsatisfactory Contest. The sparring contest on Friday night between Harry Lamont and Billy Cooper proved to be a most unequal contest, Lamont getting knocked out early in the third round, notwithstanding that he appeared to be the popular davorite. Sam Moore and Pat Rooney were behind Cooper, and Kid Williams and Charley Gleason behind. Lamont. The house was packed to the doors. When the two men-stripped, it was seen at once that Lamont had the advantage of at least 20 pounds in weight. Cooper sized him up earefully from his corner and remarked on his size. ..
