Croup

"I don't think there is a more anxious time for parents than when their children have croup. Without they are prepared with Chamberlain's Cough Remedy they must wait for the doctor and listen to the choking, metallic cough and watch their little one gasping for breath.

You know the great danger of croup is the formation of a false membrane in the larynx, and this can be expected relief cannot be obtained, and the spasmodic, whooping, continues. Give Chamberlain's Cough Remedy in frequent doses. It will loosen this membrane and cause the child to breathe freely.

Chamberlain's Cough Remedy
 is an absolutely safe and certain remedy for croup, and if given as soon as the child becomes hoarse, or even after the croupy cough appears, it will prevent the attack.

Soldiers Who Deserted Captured At Border.

New York, Jan. 7.—An Associated Press despatch from Vanceboro, Maine, says: Five Canadian soldiers who were alleged to have deserted from their regiment at St. John, N. B., were captured by immigration officers today and returned to St. John. Their names were withheld.

NEAR DEATH'S DOOR.

Mi-o-na cures dyspepsia. If any of the readers of this paper are suffering from stomach trouble of any kind, J. D. Clark, Druggist, will sell you a box of Mi-o-na for 50 cents with an absolute guarantee of relief or money back.

Neil Murray of Huron Road, Goderich, Ont., says: "I have suffered with indigestion for over four years and had been given over as incurable by many doctors. I had become a nervous wreck through loss of sleep, and whatever I ate did not remain on my stomach for over two hours. I would suffer with vomiting spells that would almost kill me, perspiration as large as beads would break out all over my body and leave me in so weakened a condition that I would be unable to stand, not a night's rest in over six months and was so weakened and run down that my family thought I would die. My heart was greatly weakened and would flutter and a sharp pain would come through me and cut off my breath. I was reduced in weight from 160 to less than 110 lbs. Doctors would give me different causes for my trouble, yet none of them gave me the slightest relief. I commenced treatment with Mi-o-na and when half of the first box was used I could eat my meals without suffering the dreadful vomiting spells. I used about ten boxes in all and am entirely cured. My stomach is as strong as ever and there is not the slightest trouble with indigestion, I have gained about 10 pounds in weight, am strong & like a new man. I will always speak highly of Mi-o-na, as it cured me and I believe kept me from a premature death when all else had failed."

Steamer Escaped From Submarine.

New York, Jan. 7.—A news agency despatch from Marseilles today says the steamer Meinam raced into Marseilles today after eluding a submarine which had pursued her for some distance in the Mediterranean. The submarine fired at least 100 shells after the fleeing steamer but none of them struck.

The Meinam is one of the fleet liners owned by the Messager-Maritimes and is a sister ship of the Karnok, which arrived in Marseilles yesterday after a thrilling chase by a submarine.

The Meinam was enroute from Calcutta to this port when she was attacked.

John Williams, a wealthy resident of Delton, Mich., slipped from a ladder he had climbed to hang himself and fell to the floor, striking his head so heavily that he was killed. He was arranging his noose when he fell from ladder.
