The death occurred at Windsor, N. S., Sunday of Ezra Churchill, son of the late Geo. W. Churchill, of G. W. Churchill and Sons, shipbuilders, Hantsport, one of the best known men in Hants County. Mr. Churchill was ill for about six weeks, during which time he went to the United States for treatment but without avail. Deceased was 55 years of age. His eldest son Alfred was killed at Vimy Ridge while serving with the R. C. R. His son George is with the 63rd and another son is on his way overseas with the Royal Flying corps. He also leaves two daughters, Mrs. Ralph Parsons, and Miss Churchill at home. Mrs. Sircom, wife of Colonel Sircom and Mrs. Rod McDonald, of Halifax, are sisters of the deceased. His son the late Lieut. Alfred Churchill was for a time in charge of the detachment of the 40th Battalion which drilled in Yarmouth.

**CAPT. JOHN HIRAM MARSTERS.**

A well known and highly respected citizen of Hants County Captain John H. Marsters, passed to his reward at noon last Sunday, April 21st, at his home on Chestnut Street, following a second attack of paralysis.

He was born in Burlington, Hants County, in 1832, and had reached the ripe old age of 94 years and 7 months.

After spending twenty years at sea, he took up his residence at Summerville where he conducted a general business. He was always interested in shipbuilding and anything that advanced the commercial, social or spiritual interests of Hants County. He was a member of the Baptist Church, but he was interested in good work any where, as evidenced by his public bequests.—Windsor Tribune.

**BOTTLES ARE SCARCE.**

Fredericton Mall.—Maple sugar makers report that they are experiencing some difficulty in securing a supply of bottles. Light colored beer and whiskey bottles are largely used by honey makers but the source of supply having been greatly curtailed by the prohibition act. It is very difficult now to procure them. Empty beer bottles which used to sell at 20 cents a dozen are now worth five cents each and the difference has been added to the price of the honey.

**KENTVILLE NEWS.**

Mr. Geoffrey Woodworth the sixteen year old son of Dr. Percy Woodworth is now at Bramshott Camp England, where he is in training in a reserve battalion. Though so young he is as stalwart as a man, weighing over 160 lbs and standing 5ft. 11 3/4 inches. This young man has set a worthy example in patriotism to many others who prefer to remain at home in ease and comfort rather than brave the dangers necessary in defence of ones country. He will seek the first opportunity to take his position in the lines in France.

Miss Marguerite Woodworth has a splendid position with the C. P. R. at Fort William, Ont. She is one who proves competent in all the work she undertakes and her recent promotion in office work gives her a large monthly salary.

**LOCAL REGISTRARS APPOINTED.**

The Government has appointed George E. Corbitt of Annapolis Royal as Provincial Registrar to take the man and woman power of all persons between the ages of 16 and 60 years.

Mr. Archibald McNeil of Millville has been appointed the local Registrar for Kings Co. Assistant deputy registrars will be selected in every section of the County and the registration work will all be done in one day.

The registration board states that it is desirable that all persons to offer voluntary assistance to assistant deputy registrars on the day of registration should offer their services to the registrar for their electoral district. As registration day will probably be on a Saturday, it is hoped that school boards will offer to the registrars use of school buildings in which to take the registration.

If the school houses are available for this work it is likely that the divisions of the county into school sections will be observed and, if so those of the teacher who would be available for the work would be suitable persons for deputy registrars.

**ENLISTED AT 46 YEARS OF AGE.**

**Mr. Todd C. Woodworth Formerly of Kentville Joins His Two Sons.**

Our Military news this issue has considerable reference to the Woodworth family and it is a family that has set a precedent in patriotism. Elsewhere will be found a reference to Horace Woodworth son of Todd C. Woodworth and his escape from a torpedoed vessel. Another brother Douglas is also in the service being with the famous "Black Watch" and now the father, though 46 yrs. of age and a busy man in many enterprises, has caught the war fever and has passed over from the United States and is now in Canada enlisted as a private seeking to join his son in England as soon as possible to go forward for service in France. Todd Woodworth is a man of fine physique and the training already acquired has, "he says" taken ten years from his age.

**DEATH OF TRUMAN A. PORTER.**

The death occurred at the Lynn (Mass.) Hospital on Thursday, April 18, of Truman A. Porter, formerly of Nova Scotia. Funeral services were held at the home of his daughter, Mrs. A. L. Foster, 4 Liberty St., Saugus, Mass., on Saturday April 20. Interment was in Riverside Cemetery, Saugus.

Mr. Porter was born in Cornwallis, Feb. 25, 1839. In 1863 he married Hattie R. Strong, (a sister of S. S. Strong of Kentville), who passed away in 1910. He moved to Massachusetts with his family in 1890, and has resided in Saugus since that time.

**Vast Issues Depend Upon the Welfare of Our Men!**

Cheer Up and Thank God for the Y.M.C.A.

TRY to picture yourself in the muddy cold trenches after exciting days and long nights of mortal danger and intense nervous strain. Rushing "whiz-bangs" and screaming "coal boxes" are no respecters of persons. You are hit! But despite shock and pain you still can face the long weary trudge back to dressing station. Weary, overwrought and depressed, you are prey to wild imaginings of that other coming ordeal with the surgeon. There are other "walking wounded," too! You must wait, wait, wait. And then—

Up comes a cheery Y.M.C.A. man, the ever-present "big brother" to the soldier, with words of manly encouragement. Close beside the dressing station the good generous folks at home have enabled him to set up a canteen. He hands you biscuits, and chocolate or coffee.

**Y.M.C.A. Red Triangle Fund \$2,250,000, May 7, 8, 9 Canada-Wide Appeal**

"In thousands of cases," writes an officer, "it was that first hot cup of coffee that dragged the man back to life and sanity!"

The tremendous helpfulness of the Y.M.C.A. as an aid to the "morale," or fighting spirit, of the soldiers is everywhere praised. No wonder the Germans make every effort to smash the Y.M.C.A. huts out of existence.

The Y.M.C.A. is everywhere. You first met the helpful, manly Y.M.C.A. worker in camp, then on train and boat, at camp in England and in France, close to the firing line. Often he risks his life to reach you in the trenches. He has won the warmest praise from military authorities, statesmen—the King!

Have you a precious boy at the front? You cannot be "over there" to guide him away from fierce temptations of camp and city. You cannot comfort him in his supreme hour of trial. Your parcels to him are necessarily few. But the Y.M.C.A., thank God, is "over there," going where you cannot go—doing the very things you long to do—doing it for you and for him.

Will you help? This vast organization of helpfulness needs at least \$2,250,000 from Canada for 1918. For your boy's sake be GENEROUS!!

**"Earn and Give Campaign"**

Six thousand Canadian older boys are invited to earn and give at least Ten Dollars (\$10) to the Red Triangle Fund. That means \$60,000 in all! Splendid! Five thousand dollars will be used for boys' work in India and China; another \$5,000 for the National Boys' Work of Canada, and \$50,000 to help big brothers in Khaki. Ask your local Y.M.C.A. representative for information and pledge card. When you have subscribed one or more units of Ten Dollars, you will receive a beautifully engraved certificate.

He leaves a brother, Albert, in New Zealand, and a sister, Mrs. Sophia Merrill, of Lynn, Mass., also two daughters, Mrs. Elsie B. Foster of Saugus, with whom he has resided since the death of his wife, and V. Alice Porter of Boston, Mass., three sons, Dexter R. Porter of Hartford, Conn. Albert G. and Avery M. Porter, of Providence, R. I. and four grandsons.

**SON OF FORMER KENTVILLE RESIDENT AMONG SURVIVORS OF STEAMSHIP TORPEDOED.**

The following from a Boston paper refers to Horace C. Woodworth the 18 year old son of Mr. Todd C. Woodworth and grandson of Douglas B. Woodworth former M. P. for Kings Co.

Included among the six survivors of the guard of the Amer-

ican steamship Florence H., which was blown up in a French port on the night of April 17, is a Boston boy, Horace Campbell Woodworth, son of Mr. and Mrs. Todd C. Woodworth, of 34 Pleasant street, Hyde Park.

A telegram received yesterday by the boy's parents from the Navy Department stated that the young man had been rescued, and was slightly injured. The second telegram also made known that the Woodworth boy had been appointed a chief radio officer, something the lad did not know himself. He had recently taken an examination to become chief electrician, and has been promoted by the Navy Department, who referred to him in the telegram as chief electrician.

Young Woodworth is but 18 years old, and graduated last June from the Hyde Park High School, receiving his diploma in uniform, having enlisted two months previous to graduation

ay. He enlisted in April of last year as a second class seaman, was assigned to the U. S. S. Virginia, and was in Halifax close by when that terrific explosion between an ammunition ship and Belgian relief ship wrecked part of the city of Halifax and killed many.

**JAILED FOR NOT SAYING DAYLIGHT.**

The Canadian daylight saving law is modelled after that of the United States, and Uncle Sam is not doing things by halves as the following news item indicates:—"John Shull, arrested in Sedalia, Mo., upon allegations that he declared he would not comply with daylight saving or other "useless" Government regulation, was convicted of disturbing the peace and sentenced to three months in jail and fined \$100."
