Another club woman, Mrs. Haule, of Edgerton, Wis., tells how she was cured of irregularities and uterine trouble, terrible pains and backache by Lydia E. Pinkham's Vegetable Compound.

"A while ago my health began to fail because of female troubles. The doctor did not help me. I remembered that my mother had used Lydia E. Pinkham's Vegetable Compound on many consisting for inserularities on many occasions for irregularities and uterine troubles, and I felt sure that it could not harm me at any rate to give it a trial.

to give it a trial. "I was certainly glad to find that-within a week I felt much better, the terrible pains in my back and side were beginning to ecare, and at the time of monstruction I did not have mearly as serious a time as hereto-fore, so I continued its use for two months, and at the end of that time I was like a new woman. I really have never felt better in my life, have not had a sick headache since, and weigh 20 pounds more than I ever did, so I unhesitatingly recommend Vegetable Genton, Wis., President Household Economics Club. - \$5000 forfeit if original of boos letter proving genuineness cannot be produced. Women should remember there

Women should remember there sone tried and true remember there is one tried and true remedy for all female ills, Lydia E. Pink-ham's Vegetable Compound. Re-fase to buy any other medicine, you need the best.

Policy Wanted.

A tough old fisherman of Grimsby presented himself at an insurance office the other day, and said he wished to insure his life. He was asked his age, and he replied, "94." "What!" exclaimed the elerk: "ninety-four? Why, we cannot in-sure you at that age? you at that age."

"Why not?" asked the old man." "Why, because of your age," said the cleck

the clerk. "Get on," said the old sait, "look at the statistics, and you will find that fewer men die at ninety-four than at any other age!"-London Answers Answers.

BINDER TALK

In our last issue we spoke of some important features of bluder con-struction. This subject is of sufficient moment to justify our purour farming readers.

We spoke of the advantage of the floating elevator as used on the Massey-Harris Binder. We repeat that it is very necessary to success-

The hens are laying again.—Sioux City, Iowa, Journal. Let joy spread her wings and quick girdle the earth; Anothor important point is the con-struction of the Main Frame of the \$20.00 to Ogden and Salt Lake City. \$20.00 to Butte, Anaconda and Binder. A railway bridge requires a solid foundation, and a binder re-quires a strong frame. This is an-other place where the Massey-Har-ris Binder undoubtedly excells all its Let everything living go daffy with some fear among retailers who were disappointed last year in getting early deliveries of goods on account of late ordering, that there will be mirth; The hens In the next world than in this "That our happy state will continue for-ever we shall know simply because God has promised it, that is, by a faith similar to our present belief in the gospel."-Greatest . . is love -Greatest in extent, in endurance, in manifestation. Greates because without love the others would pro-fit nothing. \$22.50 to Spokane and Wanatchee, haughtily, seeketh not her own-Love is an utter enemy to self-ishnese. Charity never seeks its own to the hurt of others, or with the neglect of others; but prefers their welfare to its own. 6. Rejoieeth not in unrighteous-ness-It is not love, but its oppo-site that rejoieeth in the downfall or injury or disgrace of others, and in the triumph of wickedness. But in the truth-In the vic-tory of truth in the earth. "The truth" frequently means "the gos-pel." Love joys in the triumph of virtue and is glad when the gos-pel is extended, even though it be are now laying again. Turn on all the music pent up in the competitors. The frame on the Massey-Harris is splendidly trussed-tt will stand all the strain that it a scarcity this year and this is caus-ing an increase in business. Business at Quebec during the past week has been active, and there is a good in-quiry for spring goods. Trade at the Pacific Coast centres is a trifle Spokan soul And let the wild tumults in great It will stand all the strain that it is called upon to bear. We believe this is the secret of the success of this machine. If you are buying a binder this your we advise you to carefully look into this feature. You will be well repaid for so doing. And we do not speak without knowledge of the embloct. Seattle, \$25.00 to Ashland, Roseburg, Ea-egne, Albany and Salem, via Port-land. torrents roll, The hens fit nothing. Pacific Coast centres is a trifle quiet, as is usual at this season, but there is a general feeling of confi-dence in the future. In Winnipeg many buyers have been in the mar-ket and they have been buying freely in expectation of a big increase in Teachings—It is more important to be good than to do good. Sunday School. INTERNATIONAL LESSON NO. VIII FEBRUARY 22, 1903. Christian Love.-1 Cor. 13. Read 1 John 4: 7-21

Christian Love.-1 Cor. 13. Read 1 John 4: 7-21 Commentary.-At the conclusion of the preceding chatper the apostic promised to show the Corinthians a more excellent way than that in which they were proceeding. They were so distracted with contentions, divided by parties, and envious of each other's gifts, that unity was nearly destroyed. This was a full proof that unity to God and man was wanting; and withcut this their numerous gifts and other graces were nothing in the eyes of God; for it was evident that they did not love one another, which is a proof that they did not love God, and, consequently, that they had not true religion. Love superior to gifts (vs. 1-3). 1. though I speak-The objector in-sists that the cases cited in this and the two following verses could never cocur, but this has nothing to do with the apostle's argument. He does not stop to discuss whether it wore able to speak all the languages spoken upon earth, and with the elo-quence of angles, and though I have the gift of tongues bestowed by the spirit of Pentecost. But have not ivoe-That love to God and man which is shed abroad in the regene-ated and sanctified soul by the Holy Chost.

Bhost. 2. Gift of prophecy—The knowl-edge of future events, and also abli-ty to speak God's word (chap, xiv, 8), All mysteri.s—Though I understand the meaning of all the types and fig-meaning of the Old Testsmont, and all the meaning of all the types and fig-uces of the Old Testament, and all the scenets of nature, and the dark things in God's providences. All knowledge-Every human art and science. Remove mountains -See Matt. xvil. 20, xxi. 21. "Removing mountains in a phrase used to signify the removing or conquering great difficulties; getting through perplex-ities." Though I had the highest kind of faith and could accompilsh the greatest possible results. But have not love-Notice that Paul does not assert that one could have these things without love, but says "if" he could. I am nothing-"Nothing in myself, nothing in the sight of God, nothing to mankind."

myself, uothing in the sight of God, nothing to mankind,"
3. Ail say goods-Though I distribute them plece by piece with the greatest care. Body to be burned-"Men will fight for Christianity or dle for Christianity who will not live its spirit, which is love. Without the soul, God rejects all else, and so re-jects the man, who is therefore profited nothing."
II. The qualities of love (vs. 4-7).
4. Love-"Having exalted love as 'the golden key which opens the palace of eternity,' he proceeds to describe it. This he does as a man might describe gold, by showing its effects and the marks by which long-This is the negative side of love. It suffers all the weakness, fignorance, errors and infirmities of the children of God; and all the malice and wickedness of the child-er on of the workl, not only for a time, but to the end. Is not puffed up-"Is not infiated with pride, or self-conceit on account of any en-dowments or qualifications, mental or physical, natural or acquired, civil or religious."
5. Unseemly - Unbecomingly, haughtly, seeketh not her own-Love is an utter enemy to self-ishnese. Charity never seeks its

Failures this week in the United States are 230, against 264 last week, 243 the preceding week and 240 the corre-sponding week last year, and in Can-ada 20 against 32 last week, 30 the preceding week, and 33 last year. Of failures in the United States 73 were in the east, 73 south, 64 west, and 20 in the Pacific States, and 76 report liabilities of \$5,000 or more. R. G. Dun & Co. report liabilities of

Bradstreets on Trade.

Wholesale trade at Montreal this week has shown a good expanding demand for staple goods. Stocks in the hands of the domestic manufacturers are comparatively light, and there is a very firm feeling in all lines with increasing indifference on the part of seliers about effecting sales at present prices. Spring orders are coming forward freely at Tor- River: are coming forward freely at Tor-onto and trade in many departments is larger than a year ago. The firmer prices of staple goods have stimulated the demand, and there is

Chas. Gilchrist, of Port Hope, Cured by Dodd's Kidney Pills.

IN THE BACK

Ex-Fishery Overseer in Splendid Health at Seventy-four-What He Has to Say of the Matter.

NO MORE PAIN

Port Hope, Ont., Feb. 2 .- (Special)-Everybody in Port Hope knows Mr. Chas. Gilchrist, for fifteen years Chief of Police and afterward Fishery Overseer of the Dominion Gov-

ery Overseer of the Dominion Gov-ernment. He is seventy-four years of age now, and a heaithy man. But he has had his share of suffering. For ten years he was afflicted with Dia-betes and Kidney Disorder. Dodd's Kidney Pills cured him. Speaking of the case recently Mr. Gilchrist said: "I have used Dodd's Kidney Pills for about five years, off and on. When I get a pain in the back and my urine is full of brickdust I take a couple of Dodd's Kidney Pills and F am all right. I generally keep them on hand, for there is no medicine like them.

 F. B. CHOATE, G. A.,
 J26 Woodward ave.,
 Detroit, Mich. Soap in Shaving, In spite of the fact that those who use the razor frequently cut them-selves, yct it is rarely that anything more serious than a cut follows, the slight wound generally heal-ing quickly, and the risk of septi-caemia arising in this way would seem to be almost nil. In the ma-jority of cases, therefore, it is 'clear that the razor blade must be bac-teriologically clean—i. e., free from septic matter—which may be at-tributed to the fact that probably it is dipped into hot sterilized wa-ter before use or else that the soap lather is antiseptic. The latter ex-planation seems the more probable of the two. The amount of soap rubbed on the skin is considerable if the sinaving is to be in any de-gree comfortable, and soap has considerable antiseptic power, a 6 per cent. solution being sufficient to destroy the typhoid bacillus. There can be little doubt, therefore, that the skin is rendered sterile by the hberal application of soap, and this fact is in favor of any cut In spite of the fact that those who "Go away: I'm not going to get up till eight." At seven she reappeared. "Indade, and ye must get up now, it's seven." Finding him unmoved at her next sweet gintleman; there's two com-mercial gintleman is there's two com-mercial gintlemen waiting for their till I have yer honor's top sheet."
