Its hair used to be very short. But after using Ayer's Hair Vigor a short time it began to grow, and now it is fourteen inches long. It seems a splendid tonic to me after being almost without any hair.

MEN'S DISEASES

There is seldom a day that we are not consulted in regard to a condition that, if we were to have seen it in its early stages, the sufferer would have been relieved, cured and saved considerable expense. This we consider is due to lack of knowledge on the part of the doctor who has previously treated the case, therefore, we say to you, if you are suffering from any disease or condition peculiar to men, or if you have been a victim and been disappointed in not getting a permanent cure elsewhere, we would ask that you come to our office for personal examination or write us for a Question Blank for Home Treatment. We will explain to you OUR SYSTEM OF TREATMENT, which we have originated and developed after our whole life's experience in the treatment of special diseases of men. We will give you, FREE OF CHARGE, an honest and scientific opinion of your case. If we find you are incurable we will honestly tell you so. If we find your case curable we will give you a written guarantee to cure you or refund you your money.

—YOU CAN PAY WHEN CURED—

We cure NERVOUS DEBILITY, VARICOCELE, STRICTURES, BLOOD and SKIN diseases, PROSTATIC troubles, BLADDER, KIDNEY and URINARY diseases.
