NOTE AND COMMENT

Each year the local paper gives from \$500 to \$1,000 in free lines to the community in which it is located. No other agency can or will do this. The editor in proportion to his means does more for his home town than any other man, and in all fairness he ought to be supported—not because you like him or admire his writings, but because the local paper is the best investment the community can make.—Hardware and Metal Magazine.

The carrying of firearms is regarded with fatal indifference, to the extent that the law is rendered ineffective. There is no necessity for any citizen to arm himself in this way. To do so is to invite trouble, as well as to violate the law of the land. It is not possible for the police to detect the presence of these concealed weapons in every case; it is on the co-operation of the public that reliance must be placed. If every such offence were reported, and judicially dealt with, there would soon be an end to the menace. When it is possible not merely to purchase but to tote these murderous weapons around and display them with impunity, it is not surprising that crimes occur.

The point whether police officers with a search warrant under the Ontario Temperance Act have a right to lay charge of obstruction against the occupant of a private house who refuses to admit them, was raised in the Sudbury police court Monday when Mrs. Rose Menard appeared on a charge of obstructing the police. On Saturday her house was raided in a liquor search. The police had a search warrant, but in court counsel for the accused claimed that no provision was made under the O.T.A. for laying a charge against one who refuses admission to the police under such circumstances. Magistrate Brodie remanded the case for a day to decide the point.

Canadian Pacific Harvesters Excursions
August 13th and 27th

ON Aug. 13th and 22nd, the Canadian Pacific Railway has arranged for the annual Harvesters Excursion to the wheat fields of Canada, and this year offer to harvesters an improved service over other years. Through trains will be run through to Winnipeg, containing convertible (berth) colonist cars, with special cars reserved for women and families. The rates this year will be \$15.00 to Winnipeg, plus half cent per mile beyond to points in Manitoba, Saskatchewan and Alberta, but not west Edmonton, Calgary and MacLeod. Returning the fare will be one half cent per mile, plus \$20 to the starting point. Booklets giving complete information can be secured from Mr. J. A. Potvin, city ticket agent or Mr. G. E. McLaughlin, city passenger agent, C.P.R., 46 King St. west, Brockville.

THE GOLD MEDAL SCHOOL.

Since the inauguration of medal awards for fast and accurate Typewriting by the Underwood Typewriter Co., the Brockville Business College students have captured 180 bronze medals signifying upwards of 40 words per minute, 13 silver medals signifying upwards of 60 words per minute, and 2 gold medals signifying upwards of 80 words per minute. The highest record was made by Miss Rita Spencer at 107 words per minute.

Mr. G. W. Cowan, in charge of the College Typewriting Department, is a gold medalist. We know of no other school in Canada that can boast of such a record. The principal, W. T. Rogers is announcing the Fall Term opening next Tuesday, Sept. 4th.

Here and There

Nearly four thousand men were recruited by the Canadian Pacific Railway agents in England for work in the harvest fields of the Canadian West.

A sudden demand for wheat in Scandinavian markets has caused increased activity in the movement of grain through Vancouver. Four boats left with bulk wheat for ports of Norway and Sweden, marking the first direct grain shipments from the Canadian Pacific coast to Scandinavia.

The rapid increase in the export butter trade of Saskatchewan during the past year or two has been the outstanding feature of the provincial dairy industry. Recently the Saskatchewan Co-operative Creameries made a shipment of 25,000 lbs. of butter to China.

The export of gold bullion, gold coin, and fine gold bars from Canada, except as deemed advisable by the Minister of Finance, and as licensed by him, is prohibited until July 1, 1924, by proclamation issued in the current issue of the Canada Gazette.

Breaking all 1923 passenger traffic records, the Canadian Pacific S.S. "Metagama," westbound from Glasgow via Belfast, docked recently at Quebec, and Montreal the same evening, with a record number of 382 cabin and 1,078 third-class passengers.

"There are hundreds of first class farm workers in Scotland anxious to come to Canada, and the finest material Canada could wish for, but their wages are sufficient to barely support them and they are unable to accumulate funds for the passage." This is the opinion of Thomas Scotland, of the Canadian Pacific Railway Colonization and Development office in Glasgow, who recently arrived in Canada with a party of Scotch immigrants bound for the western provinces.

To J. K. L. Ross, director of the Canadian Pacific Railway, goes the honor of catching the world's record fish with rod and reel. At St. Ann's Bay, N.S., he landed a tuna weighing 712 pounds; length, 9 feet 2 inches; girth, 6 feet. Commander Ross used a Vom Hofe tuna rod and reel, No. 39 thread line, with mackerel for bait. His catch took three and a quarter hours to land.

The world's wheat crop this year is estimated at 3,318,000,000 bushels, as compared with 3,104,000,000 bushels last year, an increase of 214,000,000 bushels, according to figures carefully compiled by the International Institute of Agriculture at Rome. The estimated shipments from supply countries of the world for this year is 600,000,000 bushels, of which Canada is expected to supply 290,000,000 bushels, or about one-third.

Canadian trade with Australia is on the increase, according to returns made public by the Bureau of Statistics. Canadian exports to Australia for the twelve months ending with June were \$19,824,239 as compared with \$12,200,468 for the corresponding period ending June, 1922. Canada's imports from the Commonwealth have also increased. The imports from Australia for the last twelve months were \$1,545,829, as compared with \$1,275,871 for the year previous.

WOMEN'S INSTITUTE NOTES.

Although the day was unfavorable with frequent showers, grandmothers and great grandmothers came to the Rest Room on Saturday afternoon to enjoy the meeting held in their honor. Miss Carrie Robeson, accompanied by Mrs. G. W. Beach, sang sweetly, "Silver Threads Among the Gold." By way of comparing the sentiment and words of the old-time song with the popular music of to-day, the Misses Irene and Margery Gordon sang "Yes, We Have No Bananas." Mrs. Ettie Eaton gave a paper on "Then and Now," taking us back to the early settlement of our village and bringing us along, step by step, to our present attractive and pretty little town. Mrs. Eaton also gave two readings, "When Grandmother was a Girl," and "Children's Day." Following this paper, the grandmothers exchanged many reminiscences of their younger days in Athens. After viewing the display of articles, "What Grandmother Had," dainty refreshments were served and a half hour of friendly discourse was thoroughly enjoyed.

The Dressmaking Course to be conducted by a demonstrator from the Department, will begin Sept. 17th and continue 10 days. Any one wishing to take this course will kindly send names in early, on or before Sept. 7th. Fifteen is the class limit. Do not delay, as first names in will be given the preference. For further particulars inquire of the committee, Mrs. E. Purcell, Mrs. W. A. Eaton, Mrs. Chas. F. Yates. The class will be conducted at a time in the day most convenient to the majority of the applicants.

The Women's Institute, in response to an invitation to do some sewing for the Brockville General Hospital, has decided to make 25 hospital shirts, the material being provided by the Hospital. Anyone wishing to make one or more of these garments kindly notify the committee, Miss Addie Hunt, Mrs. Charles F. Yates, and the material, cut out, will be sent you.
