A NEW CALENDAR

The Annuity Company of Canada, with head office at Winnipeg, has issued a wall calendar which is different from the usual form. Instead of changing the date to suit the day of the week in each month, the date remains fixed, and the day of the week is changed. The Sundays being printed in black, and the week days in white to enable them to be easily caught. By a clever little device two months are always before the user; the current and preceding, or the current and following months, at his option. The company have applied for a patent, and no doubt this will be the popular form of calendar in the future, as when the device becomes familiar it will be found more convenient than the old method.

LITERARY

THE JUNE MCCLURE'S.

McClure's Magazine for June contains more important and entertaining reading than one could expect to find in three numbers of any magazine. Ellen Terry contributes her charming and fascinating *Memories of My Childhood*, that give stories of her wonderful girlhood, and her debut, and pictures of the actors and the English stage of fifty years ago. Samuel Hopkins Adams presents in Rochester's Pure "Milk System," a graphic account of life saving by a municipal supply of plain, pure milk. By Airship to the North Pole, by the Arctic explorer, Walter Wellman, tells about his airship and the dash he will make in it to the North Pole this summer.

Besides its five stirring articles, the June McClure's has six brilliant and entertaining stories. There are also two artistic poems.

On Thursday afternoon Mrs. Hillman entertained in honor of her guest, Mrs. Walter Hillman. A very pleasant feature of the entertainment was the music rendered by Miss Hollinrake, Mrs. Bogart, Miss Carson and Mrs. Hicks. Mrs. Hillman, who is also an accomplished musician, delighted the guests. Miss Tackaberry assisted Miss Hillman in serving.

The young gentlemen of this city gave an informal hop on Wednesday evening in the Elks' Auditorium, in honor of the visitors in the city. The affair was very unique, the ladies being dressed in white waists. The visiting ladies, in whose honor the dance was given, were, Miss Greening, of Long Island College Hospital, New York; Miss Wier, of Hamilton, who is the guest of Miss Winnifred Gray; and Miss Davies, of Detroit, the guest of Miss Helen Rispin. There were about sixty present, and a most enjoyable evening was spent. Music was provided by Fenzell's orchestra, of Detroit.

CLUNIS—MORROW.

A very pretty wedding was celebrated at the home of Mr. and Mrs. Morrow, on the 10th concession, Harwich, last Wednesday afternoon at four o'clock, when their only daughter was united in marriage to Edward Clunis, one of the most respected young men in the township. Rev. Mr. Fydel conducted the ceremony, which took place on the lawn. The lawn was tastefully decorated for the occasion. The bridesmaid was Miss Montgomery, of Raleigh, while Alex. Clunis, brother of the groom, acted as best man.

The presents were very pretty, costly and useful. Among others were two presents from the two choirs in which the bride and groom sang. During the ceremony a quartet selection was given by the Chatham Mixed Quartette.

Mr. and Mrs. Clunis will reside on the 6th concession, Harwich. Their many friends wish them every future happiness and prosperity.

PENNEFATHER—BARKER.

The marriage of Miss Edith Anne Barker, youngest daughter of Mr. Samuel Barker, M. P., and Mr. Clarence Hubert Pennefather, of the United Empire Bank, Hamilton, took place in St. Patrick's Church, Hamilton, on June 15, Rev. Father Coty being the officiating priest, assisted by Rev. Father Walsh. The church was prettily decorated with palms and white flowers. Miss Barker's robe des nocces was of ivory satin, with court, train and trimmings of duchess lace. She wore a crown of orange blossoms and tulle veil, and the bride bouquet was of white roses. Mr. Edgar Pennefather, of Toronto, was his brother's best man, and the bride's attendants were her sisters, Miss Barker and Miss Florence Barker, Miss Watkin, of Henley-on-Thames, and Miss Violet Watson. The bridesmaids wore green crepe de soie over white silk; green mohair straw hats with white plumes, and carried bouquets of daisies and ferns. The ushers were Messrs. C. Barker, Cyril Watson and R. Wylie. The bride reception was held at Bellevue, Mr. Barker's residence in John street, after which Mr. and Mrs. Pennefather departed on their bridal trip, the bride travelling in a cream Panama cloth costume and leghorn hat trimmed with pink roses. Among Toronto guests who went up for the wedding were Mrs. Anglin, Miss Fraser, Mrs. Percy Scholfield, Miss Rutherford and Miss Antonia E. Lyons. — Saturday Night.

AGAR—JINKS.

A very happy event took place at the residence of Mrs. Edward Jinks, Chatham Tp., on Thursday, when her only daughter, Ann Amelia Beatrice, was united in marriage to Mr. Charles Benjamin Agar, a prosperous young farmer, of the same township. The wedding ceremony was performed on the lawn in front of the residence, by the Rev. J. W. Hodgins, rector of Holy Trinity Church.

The bride was attended by Miss Hazel Agar, sister of the groom, while Mr. John Jinks, brother of the bride, acted as best man, and little Miss Sales as flower girl.

A large number of guests were present from Chatham, Tilbury, Merlin and other places, and the large number of gifts were an evidence of the great esteem in which the young people are held.

At the wedding supper Rev. Mr. Hodgins, in a few words, spoke of the estimable qualities of the bride and groom, and proposed the toast of their future health and happiness, which was drunk by all standing.

The young people will take up their residence on the splendid farm of the groom's father, who has retired into private life.

MAY GET HALF-HOLIDAY

The question as to giving a half holiday to the employees of the various business institutions of the city has been taken up with interest this week. Two of the Maple City's dry goods salesmen visited the different stores and found that about everyone was in favor of it. Mayor Stone is much in favor of giving the half day and will do his best to see that it is carried out. All the merchants were interviewed and only three have refused to sign in its favor. Two of these gentlemen are partially in favor and the other is point blank against it. There is no reason why the stores of the city cannot be closed for the Thursday afternoons during the summer months. Business is never very rushing at that time of the year and a few hours off would be of a decided benefit to the clerks in the stores. Every business man should endeavor to make arrangements to that effect.

Some self-made men give the impression that they have cheated themselves.

Even failure may be spoiled by success.

NEW LINE TO MUSKOKA.

Canada's Great railway, in building a line to connect Toronto with the main transcontinental track at Sudbury, has incidentally given us a new direct route to the Muskoka Lakes district, over which fast passenger trains will be running after Saturday, June 22nd. Bala, which is three and a half hours from Toronto, will be the Lakes terminus this summer, and there steamers of the Muskoka Navigation Co. will connect with trains, carrying travellers to all points on Lakes Muskoka, Joseph and Rosseau. The roadbed is heavily laid and well ballasted, train equipment is new and handsome, and excellent time is made. In addition to the local trains there will be two flyers to the Lakes, the Lakeland Limited and Sunrise Express, and two flyers south-bound, the Queen City Flyer and Twilight Limited. Through sleepers will run to and from Toronto, Buffalo, Pittsburgh and New York, and, of course, a splendid equipment of parlor cars, dining cars, and luxurious day coaches. C. B. Foster, District Passenger Agent, C. P. R., at Toronto, will be glad to mail full particulars of trains and handsome illustrated Muskoka folder, or same may be obtained free from local C. P. R. agents.

A Safe Investment

What Marshall Field Once Said

Real Estate in a good locality and in a growing village, town or city is the safest investment a poor man or woman can make. It cannot run away, bust up or cheat. My advice to a young man or woman who can spare \$5 or \$10 per month from his or her earnings is to put it into a small piece of mother earth. Even if it is only a small vacant lot. My first start in life was doing just what I now advise others to-day.

The above was the advice given by Marshall Field in an address given to young men and women on **How to Succeed in Life.**

The Elms Sub-Division

At head of King Street opposite St. Joseph's Hospital, presents to you the opportunity of your life. Lots in first block east of our sub-division sells at from \$18 to \$20 per foot. Ours at only \$11 per foot and some at \$7 and \$9 per foot, other lots at \$160 and upwards.

Pay as You Like

You can own a lot in the Elms Sub. by paying \$10 down, \$5 per month, with only 5% interest, or you can pay whole, or any part just as you like. Perfect right, no mortgages or notes asked from purchasers, you get a land contract which you can bring into the Merchants Bank, Chatham and get credit thereon for whatever you want to pay or whenever you want to pay a little or more.

CUT THIS OUT

When you have an hour to spare, take a walk up the Elms Sub-Division of No. 1, there you can select your own lot. As every lot has a white stake, in the center of the lot and 22 feet back from the front lot line, which is known as the building line. On this stake you will find a white card, giving the No. of the lot, size and price. All sold lots have a red card marked sold.

Drop me a card to Garner House and I will call on you with full particulars, or you will find my city salesman on the grounds every evening from 6.30 to 9 p. m. Don't miss this opportunity.
