PIRATE'S BURIED LOOT

ENGLISH EXPEDITION MAKES A FRUITLESS SEARCH FOR IT.

Secret of Its Whereabouts Disclosed by Dying Man to No Purpose-Account of the Expedition - The Pirates' Flight-Treasure Syndicate Lands June 30 on Island But Did Not Find Expected Treasure.

The yacht Alkelda, commanded by her owner, Capt. Gage, has just return-ed to Gibraltar from a treasure hunt-in the island of Alboran, in the Medied to Gibraltar from a treasure funt in the island of Alboran, in the Medi-terranean, opposite Melilla. The search arose from a statement made to T. C. McMichael, of Brighton, by an old army man, who had a secret confided to him when he was a boy to the effect that treasure worth \$5,000,000 was buried by pirates on the island in 1832. Nothing, however, was found.

pirates on the Island
however, was found.
Capt. Gage and Mr. McMichael were
accompanied by Col. Lewis, Capt. English, R. N.; Capt. Chaplain, R. A.; the
Hon, Allster Campbell and Messrs. J. E.
Browne and E. S. Hopkinson.

Account of the Expedition. The following account of the expedi-tion is supplied by a reporter who ac-companied it:

companied it:

"On June 10 the schooner Alkelda, R.
Y. S., 140 tons, owned by Capt. Gage,
sailed from Plymouth for Gibrattar.

"We had a picked crew of six Cornish
fishermen and a young mate from the
mercantile marine, and we were commanded by Capt. Long, who had been
many years in the service of Capt. Gage,
A cook, two stewards and a forecastle
hand completed the ship's company, and
the fortainate guests who had been invited for the cruise were Col. D. T.
Lewis, Capt. English and Capt. A.
Campbell. the Turks were meant by Gog and the Mongols were the children of Magog. We shall find meation made of Gog

and the rampart of Gog and Magog, whatever may have been the fact that gave the names of the two giants to that portion of the structure.

tion is supplied by a reporter who accompanied it:

"On June 10 the schooner Alkelda, R.
Y. S., 140 tons, owned by Capt. Gage, sailed from Plymouth for Gibraktar.

"We had a picked crew of six Cornish fishermen and a young mate from the mercantile marine, and we were commanded by Capt. Long, who had been many years in the service of Capt. Gage. Many years in the southeastern part of the southeastern par at one of the inns of court in London of Dublin he has to pay to the government a fee of £25. And when he is a full fledged English or Irish barrister or a Scotch advocate he has to fork out a further sum of £50.

The Pirates' Flight.

"In 1832, he said, British men-of-war were on the lookout for the Young Constitution, and being laden with jewels and gold to the value of fully a million pounds, the captain decided to leave the West Indies and made a course for the Mediterranean.

"They were chased by two British frigates, but, being favored with fair winds and fortunate fogs, they passed safely through the Straits of Gibraitar. "Here the pirate captain lost his bearings. He had no charts of the Mediterranean, and no knowledge of the The Pirates' Flight,

and £4 10s. in London or Dublin and after the third year £6 and £9 respectively. So that a solicitor practicing forty years in London will have paid the government over £400.

A law agent (Scotland) pays £60 at commencement of study and £55 or £85

"Here the pirate shearings. He had no charts of the Mediterranean, and no knowledge of the coast. Before long they hove in sight of a small island, which they found to be uninhabited and waterless.

"They packed their treasure in two great copper boilers and landed them at the southeastern corner of the island. It took ten men to get the treasure on shore, and they buried it close to the landing place eight or nine feet deep, and then sailed away to the nearest port to get water, provisions and charts.

"Later on," said Robinson, "they came in with two unarmed merchant vessels, which they could not resist robbing and scuttling. on beginning practice in the sheriff's court or court of session.

If you want to change your surname of your own free will the government charges you only £10, but if you do it under the direction of some deceased benefactor it costs you £50. benefactor it costs you £50.

Bishops pay £30 for permission to be elected and £30 more for the royal assent to their election, and the fees paid on receiving letters patent are: By a baronet, £100; a baron, £150; a viscount, £200; a part £520; a marguis £300.

£200; an earl, £250; a marquis, £300, James Russell Lowell was a great favorite in the literary circles of Lon-don. On one occasion at a large ban-quet the peculiarities of American speech were discussed with English bluntness. Lord S. called to Mr. Lowell

be uninhabited and waterless.
"They packed their treasure in two
great copper bollers and landed them
at the southeastern corner of the island.
It took ten men to get the treasure on
shore, and they buried it close to the
landing place eight or nine feet deep,
landing place eight or nine fe ed by your countrymen so foolish and vulgar as to be unpardonable. They talk of the 'ashes of the dead.' We don't burn corpses. No Englishman would use a phrase so absurd." "And yet," said Mr. Lowell gently, "your poet Gray says, speaking of the

"We salled from Plymouth on June 10, and with fair winds and two days of calm we arrived at Gibraktar on the 19th. The syndicate was not due until the 28th and accommodate available. the 26th, and so we made expeditions to Algeoras and Cadiz.

"It was thought advisable to engage

severest test of manhood is never The severest test of manhood is never found in seed times, but only in hard times. It is not the man who has success whea others are doing well, but it is the man who keeps up its courage and struggles on when everybody else is wavering or going down who is the hero in the sight of God and men. It is an easy matter to make good time when both wind and tide are in one's favor or when one is moving with the current, but it requires character and skill and during to make head in spite of opposing forces or to work successfully against the current.—Exchange.

FOR THE LAUNDRY.

ave a Separate Bag For Things That Require Delicate Handling. Almost every woman has felt the need of a separate bag for collars and cuffs, especially if her husband's are

sent to the laundry, as they so often are, and must therefore be kept separate from the general family wash, or, if not needed for this purpose, still small and ornamental bag substantial enough to be thoroughly useful comes in handy for the handkerchiefs and laces that require more delicate han-

Such a bag may be made out of the fancy Turkish towels to be had any-where for 25 cents apiece. Those with blue, pink or yellow grounds and a broblue, pink or yellow grounds and a bro-caded pattern or raised white upon them are especially pretty. The pink and blue will wash, but the yellow is not so sure. The bags are made by doubling the towel and seaming the edges to within four inches of the top, not including the fringe. These flaps are then turned over so as to make a sort of liftle lambrequin, and a line of Guaranteed. At the Sign of the Big Clock sort of little lambrequin, and a line of stitching put about a third of an inch from the top, thus forming a hem in which to place the drawstrings. ***************** Next run ribbon through the hem so

reason for our arrival with picks and shovels and iron bars, while the rest of the party began to prospect for the place where the treasure was hidden. To wash, remove the ribbons place which was more accurately at place which was more accurately at the place which was more accurately at the place which was more accurately at the place the drawstrings. Next run ribbon through the her that it will draw from both sides. To wash, remove the ribbons press out the drawstrings. To wash, remove the ribbons and press out the drawstrings. Soak blue towels in strong brine, say haif a cup of salt to a quart of water, an hour or two before washing. Do not boil. Pink towels should be soaked at least an hour in vinegar and water, half of each, and enough to cover. If in the soaking any part should be left dry, it will generally be found to have faded. will generally be found to have facet.

Pink or blue goods of almost any description may be washed without losing color in this manner. For very delicate pink pure vinegar should be used.

—Marion Foster Washburne in Cincingati Foster nati Enquirer.

Combined Cabinet and Closet For
Books and Papers.

A combined closet and bookcase for

corner is shown in the illustration. Make a frame of wood like the design here represented. Four shelves are then fitted into the corner, three in the cenfitted into the corner, three in the cen-ter, an equal distance apart, leaving a space about two feet deep at the bot-tom and the same at the top between the third shelf and the fourth, which A man does not take off his hat to a lady because he looks nicer without it. The instance of ba'd men would be alone sufficient to upset such an explanation.

CORNER BOOKCASE

comes just at the top of the ornamental framework. The curtain inclosing the framework. The curtain inclosing the bottom space may be of art silk or velveteen or some of the pretty colored denims. An ornamental railing across the top shelf of the bookcase is a pretty addition to the scheme. The space be tween the third and top shelves, which is framed by the arch, should be deep enough to contain a vase or two, while the curtained space at the bottom is convenient for holding magazines and ers. The top shelf is a nice place for photographs and china and a pretty That the leading medical writers and teachers of all the several schools of practice endorse and recommend, at the strongest terms possible, each and every ingredient entering into the composition of Dr. Pierce's Golden Medical Discovery for the cure of weak stomach, dyspepsia, catarrh of stomach, "liver complaint," torpid liver, or billousness, chronic bowel affections, and all catarrhal diseases of whatever region, name or nature. It is lamp with a silk shade.

Mothers should never take their in-fants to bed with them. Nothing could be more perilous than for a healthy young woman to sleep side by side with a little helpless babe. In Austria this peril is recognized, and if an Austrian mother sleeps with her baby she is sent to prison for it. The law pro-hibiting babes and their mothers from sleeping together was enacted in Austria at the end of a year when no less than 4,000 mothers in their sleep rolling on their babies killed th a law should be enacted in America. Every physician, every coroner, knows of many tragedies of this kind. The tragedies, as a rule, are not made public, out of pity for the feelings of the mother. Perhaps it would be better if they were made public. Then the dan-ger of mothers and babies sleeping together would be more clearly

Women Money Earners. Unfortunately the majority of women money earners remain amateurs in en money earners remain amateurs in their work as well as in their accomplishments and studies. They often work for years without considering if their time and labor could not be spent to better advantage. If a young woman is to earn money at all, why should she not put ambition and energy into herwork to accomplish as much as possible? She should not allow herself to be satisfied with doing anything abort ble? She should not anow herebe satisfied with doing anything short of her best in whatever she undertakes. It is by no means desirable that all women should be money earners, but it is most important that all should be capable of earning enough to support themselves and those dependent upon them.—American Magazine,

SURPRISE A PURE SOAP

NE OF THE THINGS it is hard to make folks understand is the fact that, with Soap, it is not necessary to boil or scald the clothes.

A tea-kettle of hot water is enough - and you don't rub hard. The soap does the work-loosens the dirt and it drops out.

You can use "SURPRISE" Soap any way you wish, but this tea-kettle-of-hot-water way is the best because it's quickest and easiest.

"SURPRISE" is a pure, hard soap of the highest grade. The first cost is n't any more than common soap.
