MUST TAX YOURSELF

There have been drastic changes in the Federal Income Tax Law and vet very little thought seems to have been given by theGovernment to informing the people on the extent and nature of these changes The law has been amended with a view to dealing more sternly with tax-evaders, and the new regulations come into force at once. The obligation is now upon the taxpayer himself to see that he is properly taxed. He must obtain his own tax form, fill it in and submit it to the inspector without being officially reminded of his nourishment to every part of the body duty in this respeds. This must be done find fuel for its energy and defences against before April 30th. The penalties for noncompliance are very severe.

The man or woman with an income large enough to be taxed, who, not merely arises; also when indigestion begins the willfully, but through ignorance or care- blood still further suffers. Therefore, be obliged to pay a stiff penalty. And not For more than a third of a century Dr only must the form be filled in with figures Williams' Pink Pills have been a fovorite showing the total income of the taxpayer, tonic for enriching the blood and strengthbut each person must estimate what the ening the nerves. I feel very ceeds ten per cent. of the correct income, but is under twenty per cent of it, the taxpayer will have to pay not only the 20 per cent of the correct income and delinquent must pay double the amount of the deficiency

The Government certainly does not properly appreciate its responsibility to the people when it fails to give adequate publicity to the requirements of the income tax. All the details of the law should to say that she cannot.
