## WOLFVILLE SADDENED

By Death of Carl V. Murphy, Veteran of the World War

The news of the death of Carl V. Murphy, which took place on Sunday morning at Westwood Hospital, was heard with sincere sorrow by citizens generally with whom the deceased was justly held in high esteem. Mr. Murphy, who was in the twenty-ninth year of his age, was the youngest son of Mrs. John L. Murphy, Highland avenue, and was the first of five sons who answered the call of their country and served in the Great War.

Enlisting in the fall of 1914 in the 25th N. S. Batt., he was the first of Wolfville's sons to join the colors. In May 1915 he went over seas with his battalion and a few months later went to France with the first troops that crossed the Channel to make up the Second Canadian Infantry Division on the field of battle. He served in France and Belgium until he was wounded on April 10th, 1916, when he was invalided to England. He returned to the front again and once more was wounded on August 8th, 1918. He took part in some of the heavy engagements in which Canadian soldiers participated and always with honor to himself and his regiment. He recovered from both his wounds and returned home and it is not unnatural that the friends in his home town should have anticipated for him a life of usefulness and success in the country which he had fought to save.

Last summer he was taken seriously ill and for weeks hovered between life and death. When his condition finally appeared to be improving his recovery was hoped for, when a relapse resulted in his death as stated above.

The following from the eloquent and feeling address by Rev. Dr. MacDonald at the funeral service is a fitting allusion to one whose passing is a real loss to the country:

"You will all agree when I say that Carl Murphy was the type of young man that Wolfville can ill afford to lose. He grew up in your midst, respected and beloved by everybody. At twenty-one years of age he went to the war and made a good citizen-soldier. His war record is one of unqualified honor. He returned from the war and settled down as a good soldier-citizen, modest, unassuming and tender-hearted as if he had never done a valorous deed or witnessed the unspeakable carnage of the field of battle. He was never known to do an act that was not strictly honorable. He was a young man of peculiarly fine texture and possessed to a large degree the instincts of a real gentleman. One who knew him well said of him today: 'He was honorable and upright in all his ways and conscientious in all his doings. He lived his religion.' Thus spoke one who witnessed his daily life at close range. He lived his religion, translating it into practical life. Last summer when death hovered for weeks by his bedside he told me he believed it was the prayers of the church which had brought him through; and he used to say to his mother that he felt it was prayer that had brought him safely through the war."

"His Comrades in the Great War Veterans' Association will remember him as one of their most gallant and valued members. His brethren in the Odd Fellows' Lodge will hold his name in affectionate esteem. He filled in that society the highest office in the Lodge's gift, that of Noble Grand, and exemplified in his daily life the high and noble principles for which that Lodge stands."

"I remarked that Wolfville can ill afford to lose him. But he is gone, never to return. I can, therefore, in this solemn hour—when we see things at their real worth and have no delusions as to the real issues of life—call upon his friends and comrades, one and all, to devote ourselves with greater earnestness to the things in life that are imperishable and which will leave the world better for our having lived in it. The call is to us all to live a better life, to follow Christ, the Captain of our salvation, with new loyalty and devotion. It is through Him and Him alone that we have hope in death and can attain victory and faithfulness in life."

The funeral service took place at the Baptist Church on Tuesday afternoon and was very largely attended. Rev. Dr. MacDonald conducted the service and Rev. G. W. Miller, of the Presbyterian church, offered prayer. A selection was given by the Odd Fellows' quartette. Members of the G. W. V. A. and Orpheus Lodge, I. O. O. F., to the number of about a hundred, formed in procession and marched to the cemetery where the burial was made with the beautiful ritual of the latter Order, the service being conducted by Rev. G. W. Miller and Mr. J. W. Williams. The pall-bearers were Messrs. Percy Annis, Gordon Murphy and Cecil Hanford, represent-

## WINDSOR DEFEATS WOLFVILLE

In Sensational Hockey Game Winning Goal Scored in Over Time Play

In one of the best exhibitions of hockey ever seen in Wolfville the locals went down to defeat before the Windsor team, last year's champions, last Friday night by the score of 6 to 5. Ten minutes extra time was necessary in order to decide the contest, which was witnessed by over a thousand enthusiastic fans, a large number coming from Kentville and Windsor. The Wolfville Band was in attendance and furnished excellent music before the game and between periods.

Both teams played splendid hockey, although the visitors used more team work. It would be impossible to single out any players as stars as all played a fine game. The playing was exceedingly fast all through the game. Eagles played the game of his life in the Wolfville nets and his wonderful stops drew the applause of the spectators.

The special train bringing the Windsor team was late in arriving and it was after nine o'clock when the game started. After several minutes of hard playing J. MacDonald opened the scoring for Windsor. Soon after Wolfville got a goal which was not allowed on account of an off-side play. Both teams continued to play hard. Try as they could the locals could not get a score while the visitors netted the puck twice more, making the score 3 to 0 in their favor.

The home team's chances looked pretty slim when the play was resumed but they put up a good fight and in a short time scored their first goal amid the cheers of the Wolfville fans. Encouraged by their success the boys continued their hard playing and finally W. Kennedy passed to G. Kennedy who scored number two. Time after time the visitors rushed Wolfville's goal but Eagles was always on the job and they could not get by. W. Kennedy carried the puck behind Windsor's goal and poked in another goal which tied the score, and the period ended amid great excitement.

In the third period both teams came on the ice determined to win and the playing was very fast. W. Kennedy put Wolfville in the lead but they were unable to keep it long as Windsor again tied the score and the period ended 4 to 4.

After a rest it was decided to play for ten minutes longer, five minutes each way. After a brilliant rush W. Kennedy scored and Wolfville's chances looked good. In the second five minutes, however, Windsor scored twice and won the game.

The teams were as follows:  
Windsor—Goal, Smith; defense, McCann, S. McDonald; forwards, J. McDonald, Mosher, Poole; subs, Clarke, Hughes, Cochrane.

Wolfville—Goal, Eagles; defense, Scriven, Harvey; forwards, Hirtle, W. Kennedy, G. Kennedy; subs, Clarke, Rand, Woodman.

### LADY ELIZABETH BOWES-LYON

The engagement announced by the King of his second son, Prince Albert, Duke of York, to Lady Elizabeth Bowes-Lyon, daughter of the Earl of Strathmore, gives general satisfaction because of her British birth. Lady Elizabeth was one of Princess Mary's bridesmaids and it is said that the romance commenced at the wedding festivities. She is twenty-two years of age, clever, high spirited and an accomplished hostess. Her home is Glamis Castle, famed in the story of MacBeth. The family has continuously occupied the Castle for over six hundred years.

### WOLFVILLE SCHOOL NOTES

Will the parents please keep in mind the week beginning January 29th. During that week the half-yearly tests will be given. These are very important, particularly in the High School. If a student makes a good record at the examinations and has also given proof of home-study during the half-year he is advised to continue in certain courses. If not he is advised to discontinue. About twenty-five per cent. of our students fail to give satisfactory home preparation. It seems to me this could be avoided if parents would see to it that the students get their work before going out of an evening. Possibly it is not known that fifteen to twenty minutes is given in the class-room on home-work, and even with this time we have quite a number of cases of unknown lessons.

I have asked my teachers up to Grade VIII to detain no student longer than four o'clock. In some cases it is probably difficult to do this. Teachers invariably complain to me that they would like to give extra time to the children, but it is not possible on account of a request for dismissal. From Grade IX through the High School grades, it is found necessary to detain students for missed lessons. The matter of getting lessons is a simple one and I believe if the parents will co-operate with the teachers the difficulty will be solved. Where there is Unity there is Success.

The support given my staff and myself by the School Board up to the present time has been very satisfactory and I wish to express through THE ACADIAN our appreciation.

We are indeed grateful to Miss Rosamond Archibald for her intense interest in trying to build up a better type of English than is now being generally used. It was particularly gratifying when Miss Archibald suggested a Lecture Demonstration with the School. The results obtained at the Opera House are clear proof that the method is one which should be adopted in our public school.

Forty competitors, at the time of writing, have entered their names for the Drawing Competition under the direction of Mr. Lewis Smith, Art Director of Acadia Seminary. Of the forty the five who show the greatest ability in drawing will be given a scholarship for one term at the Seminary. The best of the five will also at the end of the term be granted free tuition for one term next year. Surely this is a movement in advance and we should be indeed grateful to the Art Department for the suggestion.

B. C. SILVER

Principal of Schools  
Again the School Rink is in operation and on Saturday, after four and a half hours of skating, the children went home perfectly satisfied with their day of fun. The hockey games played to date have resulted as follows:

Tuesday, Grade IX vs. Grade XI, 7-3.

Saturday, Grade X vs. Grade XI, 1-1.

Saturday, Grade III vs. Grade IV, 3-3.

It is to be hoped the weather-man will be kind enough to send some more ice soon.

### GREENWICH NOTES

The convenor of our Exhibition Committee, Mrs. B. L. Bishop, accompanied by Miss Piper, our teacher, attended a meeting last Wednesday afternoon, held at the home of Miss E. Rand, Post Williams, who is Head Convenor of the Committees. All the teachers of the other schools in connection were present, to arrange the new prize list for the next exhibition.

Miss Leah Forsythe, who came home to spend two weeks vacation with her parents, Mr. and Mrs. Lewis Forsythe, on Dec. 23rd, did not return to her position in St. John until last Thursday morning, owing to being very ill with quinsy for two weeks.

We understand Mr. Lorne Pudsey's family are now out of quarantine for diphtheria.

The Community League was thoroughly enjoyed last Friday evening. The "Social Night" committee, with Mrs. Dexter Forsythe as convenor, gave all a good time with games, etc., not forgetting the "eats". We hear the current events that evening, written by one of the men, proved especially interesting and amusing with the local "hits", etc. Those present missed a pleasant evening. Friday evening this week, the President will give another of his lectures.

A very few from here attended the hockey match in Wolfville last Friday evening.

Mr. Penchard, of Yarmouth, in our "eye-man", paid several calls in our community on two days of last week, but what success? He has not been here for several years.

Miss Piper, our teacher, was a weekend guest of friends in Kentville.

No church service here the last two Sundays, owing to weather conditions.

### FINE PLAY AT OPERA HOUSE

The James F. Carroll Players, of Halifax, were greeted by a good attendance at the Opera House on Tuesday evening when they presented "The Ghost Between" by Vincent Lawrence. Described as a "comedy gem" the play includes a prelude and three acts and was decidedly well put on. Miss Edna Preston, who appeared here on several occasions as the leading lady of the "Majestic Players", is always a favorite in Wolfville and her role as Ethel Brooks on Tuesday evening was inimitable. Lloyd Sabine as "Dr. Dillard" gave a splendid exhibition of stage work as did also Thomas H. Hutchinson who impersonated Richard Hunt the "gentleman athlete and comedian". Viewed from every standpoint the performance was exceedingly well balanced and attractive and was greatly enjoyed by all present, who will look forward to another visit from this talented company of players.

### MAYOR SUTHERLAND "CANED"

The pretty home of Mayor and Mrs. Sutherland, Locust Avenue, was the scene of an interesting event on Thursday evening of last week, when a number of citizens gathered on the occasion of the birthday of the former to offer congratulations and best wishes. The visitors were hospitably received and a pleasant half hour was spent when Mr. Edson Graham, on behalf of the party, in a felicitous and appropriate address, presented the Mayor with a handsome gold-banded ebony walking-stick, as a memento of the occasion. Mr. Sutherland was very much surprised but expressed his thanks and appreciation in fitting terms as did also his good lady, after which the party said good night and took their departure.

The Graham Studio has something of particular interest to Kodakers this week.

## ACADIA LOSES TO KINGS

In Exhibition Game of Hockey at Windsor

WINDSOR, Jan. 18—In the best game of the season to date, King's hockey team trounced Acadia to-night by a score of 6-0. The score does not quite give the exact impression of the game, as at times Acadia was very dangerous and but for the splendid stopping of Smith for King's, the score would have been different. Smith gave an exhibition to the 300 fans that was worthy of "Stonewall" Bisnop, and the best ever seen in Windsor.

In the first period play went on end to end, both goalers doing good work, but from a face off in front of the King's net MacCoy stick-handled his way through the opposing forwards, drew the two defense men, and passed to White for the first score. A few minutes later he rushed through the entire Acadia team and shot at Elderkin, who saved, but "Bob" was there for the rebound, and slammed it in. No further scoring was done until Parnell staged an end to end rush and sunk the meshes behind the Acadia goalie for the third tally. Score, 3-0.

In the second period King's played a defensive game and held the Blue and Red men off. In this period, so great was the excitement that one of the side-boards fell under the pressure of some of the spectators. The only score in this period was when MacCoy whipped in a rebound off a shot from White.

The last frame was as hotly contested as the first, Acadia trying frantically to score. After play had been going on for five minutes, MacCoy again scored from a mix-up in front of the Acadia net. Several minutes after, MacCoy rushed and passed to White, who made it six for King's. The game was very fast and clean, no penalties being handed out.

The line-up:  
Acadia—Goal, Elderkin; defense, Murray, Clarke; centre, Hirtle; wings, Blenkhorn, Morrison; spares, McLatchy, Collins, Anthony.

King's—Goal, O. Smith; defense, Ernst, Parnell; centre, Bissett; wings, C. Smith, G. White; spares, Morrisog, Coleburn, C. White, L. MacCoy.

### CANNING BEAT KENTVILLE

In Valley League Game By Score of 7 to 2

CANNING, N. S., Jan. 22—The Kentville hockey team went down to a 7-2 defeat at the hands of the locals in an Eastern Valley League contest here tonight which, while fast and interesting, was in favor of the home team all the way.

Play started off very fast, with the Canning team attacking, and before the end of the first session Canning had scored three goals, while their opponents had failed to get the rubber into the twine for even one lone counter.

Period two saw Canning increase its lead with two more scores, the period ending with the score 5-0 against Kentville. Canning outplayed and outskated the Kentville crew throughout the first and second periods and ran up a very comfortable lead. The third session, however, saw Kentville stage a comeback. Each team scored two goals, the final score being 7-2 for Canning. The line-up:  
Canning—Goal, Grant; defense, Dickie, Baxter; forwards, Lyons, Bennett, Christie.

Kentville—Goal, Walsh; defense, Corbin, Leslie; forwards, Leitch, Bishop, Wigmore.

## BETTER ENGLISH

Interesting Demonstration Given At Opera House Wednesday Afternoon

The lecture-demonstration on better English, which was given at the Opera House on Wednesday afternoon, under the direction of Miss Rosamond Archibald, proved to be a most interesting and successful affair. There was a large attendance, which taxed the seating capacity of the theatre, and the decorations of flags, etc. were decidedly attractive and in keeping with the occasion.

Mayor Sutherland presided and after a brief address announced the program which began with the singing of "O Canada", which was heartily rendered under the leadership of Principal Silver.

Miss Archibald was then introduced and delivered a very informing and intensely interesting address. She referred to the recent struggle for world freedom, and commented on what the result would have meant to us if our flag had not returned supreme. The lecturer urged that our regard for our language should equal our regard for the flag. Miss Archibald referred to her experience as a teacher of English which led to the production of her popular work, "The King's English Drill", and made a strong plea for a more careful study and use of the language.

After a delightfully rendered vocal solo by Miss Nita Trettheway, who was accompanied by Miss Hemmeon, a special feature was presented in which Misses Miriam Coit and Grace Perry, in a dialogue of ordinary conversation which lasted only five minutes, succeeded in making sixty common errors in English, and in a corresponding time Misses Kathleen and Marjorie Bancroft made corrections.

A discussion being invited from the audience Rev. R. F. Dixon expressed his appreciation of the demonstration and was followed by Principal Silver along the same line. These gentlemen moved a hearty vote of thanks to Miss Archibald which was enthusiastically passed by the audience.

Other speakers were Councillor D. G. Whidden and Rev. Dr. MacDonald, both of whom advocated a campaign for the use of better English to have its origin very properly in Wolfville.

At this stage Mr. H. E. Calkin arose and offered a prize for the greatest improvement during the present term in English in Grade 8, according to the "King's English Drill" system. A second prize was immediately offered by Miss Harry and a third by Mrs. J. Elliott Smith. Mrs. Sheehan, of Boston, offered a prize of five dollars in gold for Grade 9, Dr. McKenna a similar prize for Grade 10, and Mrs. Leslie Eaton for Grade 11.

Dr. Rhodenizer will give a prize for the highest average marks made by a pupil of the Wolfville school on the two English papers at the provincial examinations next summer in Grade 11, and Dr. Elliott has placed in the hands of Principal Silver five dollars to be used at the latter's discretion, but will probably be presented for best work in athletics. The National Anthem brought the exercises to a close.

### DISTINGUISHED LECTURER COMING

A meeting was held in the Town Hall Tuesday evening, Jan. 23rd, for the purpose of organizing a Local Committee of the National Council of Education for Canada. This organization, which is composed of leading educationists has as its object to make Canada one in education "by co-operation of effort towards a common ideal and the evolution of a high national purpose". Mayor Sutherland presided and Mr. Silver was appointed secretary.

The immediate purpose of the meeting was to appoint a committee to arrange for a visit to Wolfville by Sir Henry Newbold, the distinguished English poet, lecturer, and educationist, who is to deliver a series of lectures throughout Canada under the auspices of the National Council. The following Committee was appointed: Rev. Dr. Patterson (Chairman), Mayor Sutherland, Rev. R. F. Dixon, Rev. Dr. MacDonald, Rev. D. B. Hemmeon, Rev. G. W. Miller, The Regent, I. O. D. E., Miss Rosamond Archibald, Dr. DeWolfe, Dr. Archibald, Principal Silver and Professor Balcom.

Sir Henry is expected to lecture here on February 6th, and a rare treat is in store for the people of Wolfville on that occasion.
