SIMMONS BEDS 'Built for Sleep'

No matter how simple or how elaborately furnished the bedrooms of your home may be—there is a Simmons Bed of a design and finish that will harmonize easily with the room. It is a bed of artistic beauty, refinement. Its design and elegance of finish characterizes every member. Simmons steel beds, in either "Twin" or "Double" widths, are made of heavy, solid steel, and unlike beds of wood, they cannot warp, become loose, or decay. They are strong, correctly proportioned, serviceable, thoroughly sanitary and 100% comfortable. Let us show you these new designs.

MUCH APPRECIATED

I have been requested by His Honor Lieutenant Governor Todd to convey their hearty thanks for the generous hospitality extended to them on their recent visit to our town and their sincere appreciation of the guard of honor and the band coming so far through the rain to meet them. They thoroughly enjoyed the scenery throughout Carleton county and were especially pleased with the good roads, over which they travelled. I also take this opportunity to thank the people in behalf of the Town Council of the Town of Hartland for what they did to help entertain His Honor Lieutenant Governor Todd and Mrs. Todd, especially the ladies of the Eastern Star for looking after the Governor's table, and the Women's Institute for their fine address to Mrs. Todd through their president, Mrs. G. O. Britton, and the presentation of the bouquet of flowers. To one and all we sincerely thank you. L. E. McPherson, Mayor.

NEWS FROM BATH

Base Ball Team Play at Grand Falls—Interesting Interview With Florida Man—Other News

The Bath Baseball team played the Grand Falls team at Grand Falls on Friday last. The game was called at 6:30 p.m. Grand Falls taking the field, Bath at bat. No runs were scored by Bath in this inning. Grand Falls, however, scoring 5 runs. After this get-away, the "Monquaters" settled down and the game became more interesting. The final score was 5-3 in favor of Grand Falls, when the game was called on account of darkness. Batteries, Bath—Shaw, P. Estabrooks, C., Turnbull, P., Shaw, C. Batteries, Grand Falls—Layton, P., Ester, C., Umple, B. Bases, Brown.

Frank Estey, formerly of Wicklow, but now residing in Florida, arrived last week to visit his brother, Carey Estey, of Wicklow. Mr. Estey, who is accompanied by Mrs. Estey and daughter, made the trip as far as Boston by rail and from Boston on by motor. Mr. Estey has been engaged in fruit growing, making a specialty of the growing of Valencia oranges. Mr. Estey who is an interesting conversationalist, stated that last year had been a hard one for the Florida growers, but that the five years preceding had been prosperous ones. Oranges were sold off the tree last year for 50c a box and he has had as high a yield as 25 boxes from one tree. Oranges, however, are as a rule sold at auction in the New York and Boston markets. Truck farming, said Mr. Estey, is also extensively engaged in, and stated a case of where one man, a specialist in his line, two years ago, made \$40,000 out of the growing of cucumbers. Mr. Estey is being warmly greeted by his many old acquaintances, many of whom he has not met for several years.

Prof. Lang, Lowell, Mass., is visiting Mrs. Tracey, Main Street. John Murphy and Miss Katie Murphy, accompanied by little Miss Mary McLaughlin, left last week for Portland, Me. Mrs. P. C. Martin, Mrs. Herb Starford of Grand Falls and Mr. and Mrs. King of Bangor were the guests of Mr. and Mrs. Charles T. Bohan on Wednesday last. Mrs. Clarence Dunphy, Sackville, N. B., was in town on Wednesday last. On Wednesday, 23rd inst., a trial, which created considerable interest, was held in Magistrate Bramley's Court, when John Dawson and his son, Charles Dawson, were called to answer the charge of assaulting one Lawrence Halloran. The trial was the sequel of a dispute arising out of the annual district school meeting. Bath, Mr. Dawson, sr., and Mr. Dawson, jr., pleaded guilty to the charge, the former of attempted assault, was fined one dollar and seven dollars costs; the latter ten dollars fine and ten dollars costs. G. W. Montgomery appeared for the plaintiff; the accused were undefended. Mr. and Mrs. Harold Kearney, Boston, arrived home on Saturday.

Mrs. A. M. Knowles, Boston, is on a visit to her mother, Mrs. Harriett Barker, and brother, Perry Barker. THE REAL PAYMASTER By Robson Black, Manager Canadian Forestry Association

THE REAL PAYMASTER

By Robson Black, Manager Canadian Forestry Association

Forests are jobs. Trees mean trade. Logs are the raw material, not of lumber or paper, but of pay cheques. It is an incidental matter that the forest gives us telegraph poles. It is a very important matter that the forest gives us 120,000 workmen, supporting a half million of Canadian dependents, and distributing \$500,000,000 to maintain Canadian prosperity. Conservation would never bother itself with trees if trees were not the substance of human employment. The Forest Protectionist would not sweat a drop for a square mile of Spruce if he did not know that some vast industry, a thriving town and a thousand contented homes are tied to Spruce trees by an inseparable bond.

We Canadians set 6,000 forest fires a year and nine-tenths of them through human recklessness, but those beacon lights of prodigality mean nothing if they do not tell us that we have put the torch to the livelihood of thousands of men; we have signed an unrepentable note for our children and our grand children to pay. Let it be laid down as an ugly and undisturbable fact that in the present situation with forest demand jammed hard against dwindling forest supply, every forest fire must be paid for. Every mile of Spruce or Pine or Fir given to the annual bonfire will have to be bought back by the next generation in higher costs

of lumber and paper, in forfeited industries, in dwindling public revenues, and a sacrifice of population.

EDITORS ON WAY BACK TO CANADA

Given Fine Farewell as Ship Sails From Glasgow

London, July 27.—That the party of Canadian weekly newspaper editors who have just completed an extensive tour of the United Kingdom and Europe had endeavored themselves to all they met was demonstrated yesterday when many distinguished men and women came to see them off as they sailed from Glasgow aboard the Canadian Pacific Liner "Montaurier." An official farewell was tendered them, the pipe band of the city police playing Scottish airs while the ship moved away. The editors said that their brief visit to Scotland was one of the most enjoyable episodes of a memorable trip, during which much good had been done in cementing the friendship existing between Canada and the old country, France and Belgium. Their reception at all points had been extremely cordial and much interest had been taken everywhere in their untiring expositions of the great possibilities Canada offers the settler, tourist and investor. It is felt that this honorary work is bound to bear good fruit in the future. The "Montaurier" is due at Quebec Aug. 1.

GOOD WORD FOR HARTLAND'S NEW M. D.

The Kings County Record, which is the Sussex newspaper, says: "Dr. Walter Chestnut is the son of Mr. and Mrs. James Chestnut, of Sussex. He graduated about a year ago from McGill University with high honors in medicine and surgery and since that time has been connected with the medical staff of the St. John hospital. During his stay in St. John Dr. Chestnut took a prominent part in the hospital work and his skill attracted much attention among the other practitioners who gave him great praise for his proficiency and pronounced him an exceedingly clever young doctor. There is no doubt Dr. Chestnut by his ability and integrity will win for himself a warm spot in the hearts of the people with whom he has decided to make his home. Hartland is fortunate in securing Dr. Chestnut as a citizen and medical adviser."

FIRE AT WOODSTOCK

A fire broke out Monday afternoon in a large house at the corner of Green and Albert streets, owned by Daniel Thompson and occupied by Albert Graham. A high wind was prevailing and the sparks ignited the shingles on several houses, making the situation very serious for a time. The residence of W. S. Sutton, a long distance from the burning building, caught on the roof and burned through, doing immense damage. The Orange Hall was also on fire and was saved after a lot of hard work.

The roof of several other buildings caught and the firemen and citizens were kept busy for several hours. Many of the houses in the near vicinity escaped owing to the roofs being of steel.

The Thompson house is almost a total loss, and is covered by insurance. The other damaged buildings are also insured. While the water pressure was good, it was deemed advisable to bring out the big engine, but it was not put into commission. There was much excitement during the conflagration and several families were in readiness to move out.

There will be no services in the Anglican churches at Hartland, Glassville or Beaufort on Sunday next, as the rector will be at SHIP LAKE, where he is the preacher at the annual open air service.

EAT AND GROW THIN

No longer need you surrender sweets when reducing! Listen to this, from the address of Dr. McLester to the annual convention of the American Medical Association:

"The effort of many obese people, said Dr. McLester, to avoid all starchy foods and to eschew all sweets is without reason. Carbohydrates are the chief source of energy for the maintenance of

LEAVING HARTLAND

The many friends of Mrs. James McLeod are regretting her departure from Hartland, which takes place on Friday next. She is going to St. John for the winter and expects to join Mr. McLeod in the spring at Detroit. Her two little grand-daughters will accompany her.

On Friday afternoon the ladies of the U. B. M. S. made a picnic supper in her honor which was held at the U. B. parsonage. The president, Miss A. Estabrooks, read an address assuring Mrs. McLeod of the high regard in which she was held by them and regretting her going. She was asked to accept a gift of remembrance, which was a very fine silk scarf. Mrs. McLeod was taken completely by surprise, but replied in a few well chosen words, thanking the ladies for their kind thoughtfulness.

On Monday Friendship Chapter No. 6 O. E. S. entertained at an afternoon tea at the pleasant home of Mrs. John Keswick in her honor. Paul Worthy Matron Evelyn Tedlie poured and Mrs. Keswick was assisted in serving by Mesdames Allan DeWitt, Key, Macintosh and Kelley. Besides the members of Friendship Chapter the guests included Mrs. Elie Richardson, Boston, Mrs. E. L. Corbett, St. John, Mrs. Ward Brown, Lunenburg, Me., Mrs. Henry Tedlie and Mrs. Harriett Keswick. Mrs. Keith and Mrs. Keswick entertained very nicely with piano solos and readings. Mrs. Arthur Dickson, Associate Matron, then presented Mrs. McLeod with an emblematic pin and the following address:

Dear Sister MacLeod: The officers and members of Friendship Chapter No. 6, O. E. S. of the Eastern Star, have heard with deepest regret of your intended departure from our midst. Your loyalty and devotion to our regard, and although you go to a city that has no chapter of the Eastern Star, yet we trust that your ardor will in no wise be dampened and the noble enthusiasm you have displayed in our work here will be the means of kindling a flame that shall spread until the city of St. John can boast of a most efficient chapter and thus bring us a long step nearer the realization of one of our fondest dreams, a Grand Chapter for the Province of New Brunswick. Time will bring its changes and, we hope, a full measure of prosperity for our order, yet shall always be an especially warm place in our affections for those who struggled along with us in the days when we were few in number with many obstacles to overcome. We ask you to accept this little token of our esteem and with it the assurance that you will be followed by our best wishes for your happiness and prosperity in your new home, and although separated from us by distance, we shall still be united by a strong bond of fraternal love and sympathy. May God bless you and keep you true to the high ideals exemplified in the ceremonies of our beloved order. Fraternally yours.

The Officers and Members of Friendship Chapter No. 6 O. E. S. In replying Mrs. McLeod thanked the chapter for their gift and their thought of her, assuring them she would never forget her association with them. She also reminded them of the obligation they had all taken saying if we lived up to those ideals, as we were expected to, our influence for good would be felt not only among our own members but the community at large.

Yesterday Mrs. McLeod was again made a guest of honor. The W. C. T. U. gave a picnic for her entertainment which was held on the lawn of Mrs. Alfred Moore. The usual services will be held in the Hartland United Baptist Church next Sunday. The preacher for the day will be Rev. P. J. Quigg, so favorably and well known by the people of Hartland. His many friends will be glad to welcome him to the town and be delighted to hear him again.
