SHARKEY'S BUILDING.

FREDERICTON, N. B.

THIS HALL has been newly fitted up and handsomely furnished, and for room, light, ventilation and neatness, compares most favorably with any Billiard Hall in the Dominion. The Billiard and Pool Tables are pronounced by players to be superior to any now in use in this Province. They are the BRILLIANT NOVELTY, size, 42 x 9 feet.

And will be sold at the LOWEST RATES

FOR CASH.

Remember, these chances do ont often occur, but when they do,

The main object in the construction of the Brilant Novelty, and the one most noticeble, is that embodies all the more salient or most important states that have rendered popular all the other piles of tables of The J. M. Branswick & Balke o.'s make. The Billiant Novelty has all the adantages and good points, including the respective allays claimed by the "Nonpareil" and "Exposition," "Novelty," "Acme" and "Amaranth" ables. The "Brilliant" is a happy combination of all those celebrated tables, and has rapidly taken he foremost place in the estimation of all players of Billiant and Pool Tables. The "Novelty" is finished and handsomely inlaid in many different objects, made up from California Laurel, Burl Ash, tench Walnut, Birds Eye Maple, Mahogany, lose Wood, Tuip Wood and Ebony. It is suplied with the finest of Vermont Slate bed, Simonis loth, and a first-class outfit of everything neces-

some time past has been helping him left Nachook on the 6th inst, and enself to the contents of the mail bags countered head winds nearly all the way without being detected, as he left no here. trace behind him to show that the bags had in any way been tampered with. In Canada, as in other countries, a large number of canvas bags are used for small stations, which are fastened together by a cord passed through eyelet holes, the cord being twisted up after being drawn tight over the mouth of the bag, and, with a padlock passed through the loop, is fastened to one of the eyelets. Morgan was not long in discoverto any one disposed to abstract the contents of the bags, as, after reversing the twist in the cord which held the mouth of the bag together the binding slacken-

ed up enough to enable him to place his looking woman, and does not indulge in hand in the bag, without removing or eccentricities of dress. Her husband, interfering with the lock, and help him who I fancy was much older than she, self. After he was satisfied with his died some years ago, and the domestic plunder, he would let the cords side of her life, if it ever had such a side, which they naturally did when he let is certain is that the woman has a good go of them, and thus defy the deal of amusement out of her life as she closest inspection to discover that the bag had been tampered with. There was herself thoroughly. I never heard her great excitement in the Post-office department to-day over the revelation, as it necessitated an immediate change in thousands of these bags that are now in use. An investigation was held today, but the officials are reticent as to what action the government intends taking in as good a lawyer as three-quarters of the the matter. Had Morgan not confessed to outsiders as to how he manipulated the mail bags, the public would have

and Post-office authorities positively refuse to say anything about the discovery

The Egyptian Bond Interest. London, Oct. 12 .- A curious story is respension of the payments to the Caisse de la Dette Publique. The resident manbar Pasha, the Egyptian prime minister, to current expenses. The Khedive at slave schooner and sent the vessel and first refused peremptorily. He said that her crew to Crooktown, where the latter the Council of Ministers had sanctioned would be tried. the step and that they must bear the consequences. This was very cold comfort for Nubar Pasha, who is a rich man and he became terrified at the idea that all his property might be confiscated to satent financial distress with a timely loan rather than forego her hold upon Egypt. At last; it is stated, the Khedive reluctantly consented and he is hereafter to be

held officially responsible for the default in the payments to the sinking fund. Return of Part of the Hudson Bay

Belva Lockwood.

We have one presidential candidate al ways with us in Washington-Belva Lockwood. The odd thing about this woman is that she is not really a crank, but a sharp and quick witted person, who is not destitute of humor, and who generally avoids making a fool of herself. I fancy she makes a comfortable living doing busines as a pension agent and ing that fastening offered little resistance office attorney in various small affairs mostly put into her hands by women clients. She has won the right to be admitted to the bar of all the courts, and is dropped off probably years before. What goes along. Indeed she seems to enjoy make a speech, nor did I ever hear anything to the woman's discredit. She represents the "emancipated" woman of the day who paddles her own cance in her own way, is not the beneficiary or dependent of any man, and is probably men who try to practice in the legal profession in Washington.

British Protectorate Established Over been kept in the dark, as the detectives London, Oct. 11, 1884. The British commodore on the Australian station has been instructed to proceed to New Guinea and proclaim a British protectorate over the southern coasts of that island ported from Cairo in connection with the to the eastward of the 141st meridian of east longitude. The protectorate will include the islands adjacent to southern agers of the Caisse recently informed Nu. New Guinea. Settlement within the protectorate will not at present be permitted. that he and his confreres in the Egyptian | The decision of Mr. Gladstone to establish Cabinet would be held responsible, both the protectorate was hastened by reports officially and personally, for the diversion of a great increase of the slave trade of funds which ought to go to the Caisse upon the coast.
