Certain it is, and many years of careful experience are back of the statement, that hay fever and kindred annoying and troublesome summer afflictions, distressing to so many thousands all over the country occurring regularly as July and August, are absolutely unknown in the "Highlands of Ontario." Thousands of people go to Muskoka, Georgian Bay or the Lake of the Bays every year for nothing else but to avoid hay fever, and find perfect immunity from the ailment, and many by going there regularly for a period of a few years are said to be permanently cured. Hay fever booklet can be had free for the asking by applying to J. Quinlan, D. P. A., Bonaventure Station, Montreal.
