HOW CAN WE COUNTER-ACT THE INCREASED COST OF LIVING?

A second's reasoning will supply the answer. Beef and pork are dear and getting dearer all the time, and the cost is out of proportion with their food-value.

EAT MORE BREAD.

There is more nourishment in a shilling's worth of bread than a shilling's worth of beef or pork. But the problem is not done with yet. The shilling's worth of bread is not always the same value. Bread made from

ROYAL HOUSEHOLD FLOUR

contains more nourishment than any other, because it contains the greatest amount of gluten, the health-giving nutriment of wheat.

GENTLEMEN.—Our shelves are now replete with the choicest goods that the West of England can produce. All parts of Old England are famed for the excellence of their goods, but more especially the West, and, as regards that undecidable "thing" called style we know how, and can give full expression to that elusive quality. We please both young and old. You can have your choice of either English or American cut. Personal supervision given each order. Give us a trial and we have a customer. Thirty years experience in the tailoring line.
