"ROVER BOOT" for School Boys

To prevent the boy from getting wet feet you should see that he has the right kind of footwear.

The boy needs something good and strong, not the shoddy, paper inside boot that will go to pieces after a week's wear.

Give your boy "ROVER" BOOT, the one that will stand hard wear.

All solid leather throughout.

We make the "ROVER" BOOT.

THE NICKEL.

TO-DAY.

THE THEATRE OF CONSTANT SURPRISES.

A Dramatic Phenomenon.
THE END OF THE BRIDGE.
A delightful little romance with rural settings, showing the undying faith of a young girl, who, notwithstanding the temptations of the world, awaits the return of her absent lover. This is a masterpiece of the silent drama, and its many excellent points are brought out most carefully by the Kalem Stock Company.

LOST AND FOUND.

Vivid, realistic and interesting drama of the sea. Pathos, purity and poetry are all beautifully intermingled in this charming photo-play, which has for its locale a pretty fishing village near Gloucester. As a story of the simple lives of the homely fisher folk, this picture has no peer.

NAN'S DIPLOMACY.
A clever comedietta of an American courtship.

A bright, lively, "snappy" show presented with every perfection of detail. Pianist Geo. Irving, Vocalist Joseph Ross, Trap Drummer First Performance, Second Last Show. You all have a chance to take this in. Most charming, delightful and entertaining Bill of this replete season.
