Celebrated Norwegian Jigger

Fishermen should use these Jiggers
and rig them with swivels same style
as in Norway, then the Jigger acts
like a minnow and when spinning at-
tracts the fish, so that instead of jig-
ging they really snap the Jigger and
in this manner you never fail to catch
them. Ordinary leads can be used,
but the Norwegian style seems more
simple and easily made. Our fisher-
men should try this great Norwegian
fish killer.
