#### THE BIG GAME.

Inter-Town Baseball Games has attracted wide-spread interest in the past few days, terminating last evening at St. George's Field with a game that was a brilliant series of exciting plays. Four games in all were played, the honours being divided, St. John's winning the first and fourth, while Grand Falls won the second and third. The outstanding feature of the whole series was the game played at the home of St. George's Home Run on the last evening. It was an error in judgment on the part of the Grand Falls manager to have the game at the home of St. George's Home Run on the last evening. The game was a very close one, the Grand Falls team being the victors by 11 to 8. A feature of this game was the hitting of Watson, Murphy and Canaling for the City, while Crawley and Petrie for the paper town excelled themselves in both hitting and fielding.

was down in the 9th when the winning run was scored. St. John's 7 runs; Grand Falls 6.

#### AFTERNOON GAME.

The score by innings: St. John's . . . . . 3 1 0 0 0 1 2 1—8 St. John's . . . . . 3 1 0 0 0 1 2 1—8 With the series completed, so far as St. John's was concerned, the afternoon game was an exhibition one, St. John's having a one game lead to take with them to the paper city. The clash proved to be very interesting. It was a ideal afternoon and the fans turned out in large numbers and were delighted with the brand of ball doled out by both clubs. Allan Churchill started in the box for the City, while Sebati Foran for a third time in the series took the mound for Grand Falls. Both pitchers from the outset were hit rather freely, while several hits which were sent skyward handicapped the fielders considerably owing to the strong sun. Aspell relieved Churchill for the city in the fifth innings, and took his team out of a very bad hole, although three runners crossed the plate before the innings finished. Crawley, Petrie and Foran each scored a run. The paper men had a lead of three runs at this juncture. The city team was blanked in the sixth. The fielding by Grand Falls was all that could be desired. Aspell sent his opponents back to their benches scoreless in the next two frames, but was in difficulties in the 8th when Grand Falls crossed the plate scoring four runs before the last man was retired. The City boys cut down their opponents lead in the last three innings, scoring one in the seventh, two in the eighth and one in the ninth. The game ended leaving Grand Falls the victors by 11 to 8. A feature of this game was the hitting of Watson, Murphy and Canaling for the City, while Crawley and Petrie for the paper town excelled themselves in both hitting and fielding.

#### TUESDAY'S GAME.

The score by innings: St. John's . . . . . 0 0 2 1 0 0 1 1—4 Grand Falls . . . . . 0 0 0 0 2 0 5 3—10 The game was a very close one, the Grand Falls team being the victors by 11 to 8. A feature of this game was the hitting of Watson, Murphy and Canaling for the City, while Crawley and Petrie for the paper town excelled themselves in both hitting and fielding.

The executive and players of the local Baseball League invited the Grand Falls players together with their lady friends to a reception which was held at the well known hostelry Smithville last night. Included in the guests present, was several of our local ladies and Messrs. Karl Trapnell and Arthur Williams, who very pleasantly rendered several songs for the occasion. After supper had been partaken off, Mr. T. V. Harnett heartily congratulated the Grand Falls players on their splendid play and sportsmanship during the series, which was replied to by Capt. Sebati Foran on behalf of the Grand Falls team. During the evening dancing was engaged in to the splendid music of the C.C.C. Band which was thoroughly enjoyed by all present, until an early hour this morning when the party dispersed, vowing the affair a splendid evening's entertainment.

The Grand Falls baseballers left here by to-day's express, and are looking forward to the St. John's team paying them a visit, when another interesting series of games will be witnessed by the people of the paper town.

#### SPORTS WRITER HERE.

Will go to Labrador soon. Morris Ackerman, American sports writer and publisher of Ackerman's Sportsman's Guide is now in the city and will leave shortly for Labrador where he will try out the sporting possibilities of that dependency. Ackerman is a regular contributor on sports matters to the Cleveland News and Sunday News-Leader, and is a member of the American Game Protective Association. His Guide is very well known among sportsmen the world over. The seventh edition was published this year, and contains information about fishing and big game shooting in three continents. The greater part of Mr. Ackerman's knowledge has been gleaned from personal experience, but this is his first visit to Newfoundland, and the information in connection with our hunting and fishing resorts has had to be obtained from outside sources. The Guide for 1922 contains over 200 pages, and should be acquired by all interested in sport.
