Household Notes.

An appetizing dish for breakfast is bacon and apple rings. Wash, but do not peel apples, then cut them into slices a quarter of an inch thick. Cook in a thin syrup until clear, then drain and arrange around platter with rings overlapping. In center of platter place the bacon, cooked until firm. Garnish with parsley.

If you are about to discard an unattractive set of oak furniture, don't do it! Give each piece of set a coating of flat white paint, then three coats of white enamel. When this is dry, cut out from a good grade of wallpaper a pretty pink flower design and paste on front of drawers, on the wide part of chair backs and headboard of bed. Coat motifs with color-

less shellac, and you will have a charming set for a child's bedroom. Serve sugar cookies with the afternoon tea. To make, beat a half cup butter until creamy, add cup sugar, 2 eggs, well beaten, and 2 cups flour, sifted with a cup sugar, 3 teaspoons baking powder and a half teaspoon salt. Roll quite thin and cut in fancy shapes. In the center of each place a bit of almond, a whole date, or a raisin, and bake.

To stuff summer squash, scoop out seeds after cutting slice from top. Fill square with dressing made of a pint of fine breadcrumbs, seasoned with half teaspoon salt and pepper, a medium-sized onion, minced, a large tablespoon of butter in bits, a teaspoon of mustard flour and two beaten eggs. Replace top slice and bake

2 hours basting with bacon dripping. A good recipe for mayonnaise is as follows: Mix together a half tablespoon salt, a half teaspoon powdered sugar, a half teaspoon mustard and a fourth teaspoon paprika. Add the yolk of one egg, and mix well. Next add a teaspoon vinegar, and then, very slowly, a cup of salad oil, beating all the time. At intervals add vinegar and lemon juice until enough.

To make a delicious Turkish stew for a chilly night, brown one onion and a third of a cup of rice in 2 tablespoons fat. With sufficient water of stock to make a gravy that just covers the whole, add one small diced carrot, 1 teaspoon horseradish, 1 cup of diced meat, 1 cup tomato and salt and pepper. Cover and allow to simmer until rice is soft and gravy has been absorbed.

**Ward's
ORANGE-CRUSH
LEMON-CRUSH
and
LIME-CRUSH**

Unequaled deliciousness and absolute purity have been the prime factors in placing Ward's "Crushes" where they stand so firmly—on the pinnacle of public favor.

You don't know what the very best in soft drinks really is until you've sampled Ward's Fresh Fruit Crushes. They're so appetizing and they're such a "zip" to them, that they're really tonic and bracing in their efforts all the year round.
