Second Company Company

New York, Nov. 13—Noon.—There was an apparent transfer of bear energy to-day from Pennsylvania to St. Paul, but the net results of the change of tactics are not especially brilliant when viewed from the viewpoint of the short interest. Undoubtedly St. Paul developed weakness and it eased off to a considerable extent. The pressure directed against it was the constant of the pressure directed against it was the constant of the pressure directed against it was the constant of the pressure directed against it was the constant of the pressure directed against it was the constant of the constant of the pressure directed against it was the constant of t from the viewpoint of the short interest.
Undoubtedly St. Paul developed weakness and it eased off to a considerable extent.
The pressure directed against it was large in volume, but the room has not the confidence of the past or the pressure large. large in volume, but the room has he the confidence of the past or the pro-fessional bears that was so marked when the onslaught on Pennsylvania was be-Pennsylvania enjoyed a respite ad maintained its price fairly well, although giving some ground. Tips were widely circulated that Baltimore and Ohio, St. Paul and Rock Island were to be attacked. A private circular attacking Baltimore and Ohio was sent out this morning, and in view of our knowledge of the actual earnings of the company, some of the statements therein contained must be regarded as ludicrous. The stock sold off a little, sympathetically with Pennsylvania and Reading, which also exhibited some weakness. Rock

TORONTO.

Toronto, Nov. 12.—Baled Hay—There is plenty offering and prices are unchanged at \$9 per ton for car lots on track here. Baled Straw—There is a fair demand and the supply is inclined to be a little short. Quotations are about steady, at \$5 per ton for car lots on track here.

DAIRY MARKETS.

KINGSTON.

Kingston, Ont., Nov. 12.—At the cheese Is also exhibited some weakness. Rock Island showed no particular strength, but its movements belied the stories of tered; 39 were colored and the balance white: 10c bid: only 75 were sold prospective slump. The tractions have een strong and Steel stocks and sinking fund bonds steady. Sugar lacks the aggressive strength which is displayed yesterday. Atchison and Union Pacific did very well throughout the session. It is very doubtful that a bear attack on St. Paul will be fruitful of results. The market is leaking better. Sales to poon

is looking better. Sales to noon, 343.900 shares. MONTREAL. Montreal, Nov 13.
