

BEWARE THE COUGH OR COLD THAT HANGS ON

Chronic coughs and persistent colds lead to serious trouble. You can stop them now with Creomulsion, an emulsified creosote that is pleasant to take. Creomulsion is a new medical discovery with two-fold action, it soothes and heals the inflamed membranes and kills the germ.

Of all known drugs, creosote is recognized by medical authorities as one of the greatest healing agencies for persistent coughs and colds and other forms of throat troubles. Creomulsion contains, in addition to creosote, other healing elements which soothe and heal the inflamed membranes and stop the irritation and inflammation, while the creosote goes on to the stomach, is absorbed into the blood, attacks the seat of the trouble and destroys the germs that lead to consumption.

Creomulsion is guaranteed satisfactory in the treatment of chronic coughs and colds, bronchial asthma, catarrhal bronchitis and other forms of throat and respiratory diseases, and is excellent for building up the system after colds or flu. Money refunded if any cough or cold is not relieved after taking according to directions. Ask your druggist, Creomulsion Company, Limited, Toronto, Ont.—Adv.

Local Druggists Have Modern Remedy for Colds

A Vaporizing Salve which is Rubbed
Over Throat and Chest for Colds.

When Vicks Vaporub, the "external" method of treating sore throat, bronchitis, deep chest colds, or croup, is applied over throat or chest, the ingredients are released as vapors by the body heat.

These vapors, inhaled with each breath carry the medication directly to the affected air passages, loosening the phlegm and relieving the congestion. At the same time Vicks acts as a counter-irritant, stimulating the skin, and thus helps the vapors inhaled to break up the inflammation.

Colds are usually relieved over night.

VICKS VAPORUB OVER 21 MILLION JARS USED YEARLY

DANCE IS PLANNED TO AID
TRAVELLERS' HOME FUND

With the object in view of raising funds for the erection of a home for commercial travellers in London, the London Council, No. 630, of the United Commercial Travellers of America will hold a cabaret and dance at the Winter Garden on Friday night.

The London council is the largest and most important of the eight councils in Ontario. The membership has grown so rapidly in the last few years that their present quarters are entirely inadequate. A new building is absolutely necessary. No definite plans have been made as yet, but the size of the building will be largely controlled by the success of the campaign.

The Slight Cold Of To-day May Be Serious To-morrow

On the first appearance of a cough or cold, do not neglect it, but get rid of it at once before it has a chance to grow worse and becomes settled on the lungs, for once it does become deep-seated you are going to have a lot of trouble in getting rid of it.

Our advice to you is that on the first sign of a cough or cold you should procure a bottle of

as by its timely use you may save yourself many years of suffering from some serious bronchial or lung trouble. "Dr. Wood's" has been on the market for the past 37 years; so you are not experimenting with some new and untried remedy; put up only by The T. Milburn Co., Limited, Toronto, Ont.

ORIENT JOLLIES SCORE SUCCESS

Crowd Fills Hall On Second
Night of Performance To
See Minstrels.

The Orient Jollies achieved quite as great a success the second night of performance as the first. In its presentation the Orient club has brought honors upon itself and furnished an evening of rare entertainment. Last night's house was crowded like the first, and bids fair for a third big attendance.

In the Orient Jollies the program is delightfully varied. Opening with a minstrel show which is funny from beginning to end, the program also includes an exceptionally funny scene at a railway station and a cabaret scene which is both pretty and clever.

Frank Tucker as the interactor keeps up a stream of breezy comedy. He sings just as fancy moves him, delighting his audience whenever he makes an appearance. As usual, Jack Murray is the inimitable comedian. Whenever he opens his mouth a laugh falls out and rocks the house. In fact, all of the end men in the minstrel show provide genuine humor. I Miss My Swiss, sung by Nelson Lucas is also one of the most attractive numbers of the show. Mr. Lucas is also heard later in some excellent comedy work on his own. Siz Hamilton is another clever comedian of the show.

The cabaret scene, which brings the performance to a brilliant close, is attractive in its setting. The numbers are presented against the background of a very fine orchestra, which furnished excellent musical numbers throughout the scene.

The choruses in this and other scenes appear in pretty costumes and with steps. Miss Doris Mitchell, appearing as a cabaret singer, Her number, called the Charleston, with dancing chorus, is one of the hits of the performance. Miss Virginia Dyer is another gay little bit of girlhood, appearing in Yes, Sir, That's My Baby, which received a storm of applause last night. Little Helen Wilkie, her butterfly dance, wears a gauzy frock of pink chiffon, executing difficult and fairylike steps with the utmost grace. In Nursery Rhymes, a short but pretty little number, Miss Virginia Dyer and Ethel Littleton head a gay chorus. In fact, the whole evening's entertainment is exceedingly worth while.

MORGAN'S SUPPLY CO. ENLARGES ITS STORE

Carling Street Entrance Will
Permit Motorists To Get
Quicker Service.

Morgan's Supply House has enlarged its retail store to the full depth of the lot, and now have an entrance off Carling street as well as on Dundas street.

A. J. Morgan believes this will prove a convenience to motorists, who will find better parking spaces on Carling street. It was necessitated by the purchase of the bankrupt stock of the Dominion Seeds Co., which Morgan advertised for sale through the Carling street entrance. Mr. Morgan states, "Reductions advertised are based on regular catalogue prices and will be genuine bargains." Nelson Fisher, who had charge of the Dominion Seeds, has been engaged to take charge of this sale and to continue the seed department, so customers are assured of courteous service.

BEVERAGE FIRM HEAD CLAIMS 4.4 A FAILURE

Sir Henry Pellatt States Some-
thing New in Beer Legisla-
tion Necessary.

Special to The Advertiser.
Toronto, Nov. 17.—In the Canada Gazette of the present month appears a public notice, having reference to O'Keefe's Beverages, Limited, which Sir Henry Pellatt explained to The Advertiser was in effect an announcement of an enlargement of the Ontario charter previously held by the company to a dominion charter. Sir Henry Pellatt and four others are named as principals in the new incorporation.

"We have taken out a dominion charter," said Sir Henry Pellatt, "principally to enlarge our scope for business and also with a view to future legislation."

"What legislation do you anticipate?" "Four-point-four has been a miserable failure," went on Sir Henry. "The public at large do not use 50 per cent of 4.4 as compared to the 2.5 previously used in the province. Four-point-four has caused more discontent than ever 2.5 did."

"Something new in beer legislation is essential, otherwise every brewing concern in the province must go out of business. One of the things which has hit the brewer more than anything else has been the issue of 30,000 or more free licenses in the province to individuals to make home brew. The beer drinkers are making their own strong beer, because 4.4 does not satisfy them any more than 2.5 did."
