CHILDLESS WOMEN

Please Read This Letter And See What Normal Health Will Do For You.

Berwick, Ont.—"I had organic trouble, and after taking Lydia E. Pinkham's Vegetable Compound and Blood Purifier all my troubles passed away. I was made strong and well and have been ever since. Now we have a fine baby boy six months old, and I know that I would not have this baby and would still be suffering if it had not been for your remedies. My husband and myself say that your remedies are worth their weight in gold, and I recommend them to my friends. One of my aunts is taking them now."

Mrs. NAPIROUX LAYTON, Berwick, Ontario, Canada.

Among the virtues of Lydia E. Pinkham's Vegetable Compound is its ability to correct sterility in many cases. This fact is well established as evidenced by the above letter and hundreds of others we have published in these columns.

In many other homes, once childless, there are now children because of the fact that Lydia E. Pinkham's Vegetable Compound makes women normal, healthy and strong.

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will be in you, write to Lydia E. Pinkham Medicine Co. (consultants), Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, and held in strict confidence.
