losing her life. Col. Whitford, a man of generous impulses, seized the little angel in his arms, and at a lightning speed started for its mother, who was then lying in an unconscious state, under the skilful care of Drs. Haywood, Arendall and Kelly of Louisiana. But before the kind-hearted colonel had gone far, amid the dense crowd

THOSE PAUPER EMIGRANTS. Pertinent Questions in the Imperial

Parliament. LONDON, July 4.-Wm. O'Brien, member for Mallow, will, in the house of commons to-morrow, ask Mr. Trevelyan whether, in

view of the recent action of the emigration view of the recent action of the emigration commission in New York, the deportation of paupers from Ireland to the United States will be stopped. He will also ask from what particular fund the money will be taken to defray the expenses of bringing back emigrants and returning them to the respective workhouses from which they have been sent

wages.

GLASGOW, July 4. - It is now estimated that a hundred and fifty persons were drowned by the sinking of the steamer Daphne. A diver reports that the bodies in the hold of the Daphne are so closely packed that he was unable to move them

Preparations are being made to raise the vessel. Fifty-two bodies have been recovered up to the present time.

CONDENSED CABLEGRAMS.

The Parnell fund has reached £17,065. Parnell and Healy attended a banquet at the industrial exhibition at Cork last night. Denmark has imposed a quarantine upon ressels arriving at Danish ports from

It is reported the French commander has re-opened Tamatave to commerce, ex-cluding war material. The weather is very hot in Germany.

There have been many sunstrokes. It is feared the harvest has been injured.

In an election for members of the Bohe-mian diet the Czechs were victorious, 167 being returned as against 75 Germans. Eight thousand iron workers in South

Staffordshire and East Worcestershire have struck work on account of a reduction of Sir William Gull in a communication to Lord Granville states that in his opinion the cholera in Egypt will subside without

spreading to Europe. Two Belgian aeronants, who ascended from Courtrai, Belgium, on Tuesday were blown across the English channel and landed safely at Bromley in Kent.

Michael Davitt addressed a mass meet-ing at Innishowe yesterday in celebration of the anniversary of the declaration of American independence.

The French cabinet has decided to prosemate for the coning season an engagement with Mrs. T. Charles Watson of Ottawa, already well known in the United States as a lady of refinement and promise as an actress. This recognition of her abilities at a leading metropolitan theatre will give satisfaction to many in Canada who have watched her creditable career.

The French cabinet has decided to prose-cute the anarchist speakers who threatened the judge and jury of the court in which Louise Michel was convicted. The papal nuncio at Madrid has erdered that all bishops, priests, and members of this class of the clergy shall refrain from any interference in Spanish politics. This is owing to the spread of Carlist opinions, which it is strongly desired to prevent. The London Times yesterday morning reviewed all the documents which Lord Ran-dolph Churchill sent to Mr. Gladstone in

... New York

TORONTO, July 5, 1 a.m. - Lakes and Upper St. Lawrence; Moderate to fresh, variable winds; fair warm weather, with a few local showers.

I must confess that I am to-day

The happier, better man; And 'tis all to your forbearing love

That leads in the marriage van.

When I took you for better or worse

On that festal marriage day, I little thought that the honeymou Would follow us all the way.

The honeymoon is still with us ! Yea! happier are we now, By far ! than on that marriage day

When we made the sacred yow.

-John Plane
