The Herald is on the right track, but it seemed to think no time nor trouble too might go further. Why should not every much to devote to putting the visitors street franchise be paid for-street railways, through. The Montreal men took the trip as electric wire poles, etc.? The World can see the guests of the Canadian Pacific Railway; no reason why the use of the streets should and The Gazette is well sustained by the

Parnell and Balfour. Mr. Gladstone excepted, these are the most prominent political leaders in England to-day. The article from the New Review, which we copied in our first page yesterday, nce which Mr. Balfour has attained to by leaps and bounds of a very few years past-that is, since he was entrusted with the management of Irish affairs. Mr. Parnell scarcely needs a new review, or an with him—let us mind that,

"see states as laries affairs, the property of the case is a laries of the case is a large of th

Mr. Parnell will ere long come out definitely ness eye on the good that Canadian competi for the commercial independence of Ireland, tion might do them some day. but without political separation. Well, Now, giving our American neighbors full supposing Mr. Parnell were to offer even this credit for all their good and friendly could scarcely go with him in that; how- fact of how much in earnest they are when be able to with him on some other there never was a more impressive instance things. Meantime, it may be remembered of this latter kind than when we tried to that just now there seems to be a good deal develope our own Northwest in our own of uncertainty as to the relations between | way-and when they struck in to take a these two leaders, (Gladstone and Parnell,) hand, and said in effect that they had as which events will probably decide one way good a right as we had, if not a better one

sents this view—that for such power and Pacific resented it as a bit of unwarranted prominence as he has attained to, Mr. Bal-four is largely indebted to those who, through abuse and opposition, have kept himself, his of Manitoba and the territories as sayings, and his doings so much in the mind of public attention. In other words—our to them and to their great railway; so they London contemporary seems to say as much held, and so they would let us know. Not as that Mr. Parnell may be looked upon as That the two are so conspicuously opposed to each other is a circumstance which has gone far to help Mr. Bultonn in him. each other is a circumstance which has gone far to help Mr. Balfour in his rise to the position he occupies to-day. According to this company over what we regard as Canadian view he really owes Mr. Parnell a good deal, territory., Let us quote part of what Mr although no acknowledgment from him to Oakes is reported to have said: this effect is at all likely

this effect is at all likely.

Now, suppose we "take it as read"—that Mr. Parnell, though without intending it, has really done much to bring Mr. Balfour into position. May we next venture to conjecture that now Mr. Parnell may see fit to do something not very generally expected, with the intention of improving his own position, which is a standard particular that the intention of improving his own position, which is a standard particular that the canadian Pacific and its Asiatic Statum File exist merely by virtue of substance in all its chemes. Contrast this with the financial status of the American Contrast the canadian Pacific and its Asiatic Statum File Exist merely by virtue of substance in all its schemes. Contrast this with the financial status of the American Contrast the canadian Pacific and its Asiatic Statum File Exist merely by virtue of substance in the Dominion Government where the Dominion Government with the Dominion Governmen which just at present is scarce as definite and as certain as he himself would wish to

Perhaps this is Mr. Smalley's way of Westerners credit for this, even while adeaking it gently"—that is, his belief that mitting that all the time they had their busi-

odified kind of Home Rule, Mr. Gladstone qualities, we cannot remain blind to the the English Liberal leader might they meet us in competition. And probably or another before long.

The London organ of English opinion preWhy, the authorities of the Northern to the trade of Manitoba and the territories.

"The Canadian Pacific and its Asiati built simply as a commercial enterprize, and is liable for the obligations which attach to its character. Then we are regulated almost to death. The long and short haul rule places us in the power of the Canadian Pacific whenever Now that it is all over, let us ask seriously if the Christmas present business is not degenerating into a piece of blackmail? To give a few cents to a newsboy or any other boy is one thing—to be expected to give to grown people (outside the family or social circle) is another.

To the wonders of centenarianism there is no end. The news comes from Poland of a remarkable family. One Pawlikowski has 1846. But even now, in a fair and source it may choose to exercise the advantage. You see our situation, foes without and foes within. We are unable to serve the commercial and industrial interests of this country as we would like to do. The State of Washington is capable of sustaining three times the population that British Columbia can ever support. And Puget Sound ought to be the commercial centre of that part of the country. So it would be if the United States had only stood for fifty-four forty in a fair and source.

Pawlikowski's father was a still more remarkable man, for he lived, it seems, to the age of 126; and quite as tenacious of life are the other children of this patriarch. There are three daughters left, aged 102, 99 and 93 respectively, who may possibly heat in longevity their newly-deceased elder brother.

have voted, either for through railways or ocean steamships, is all their own. They don't look to Washington for it, that is sure.

Oh, what a dawn of day! How the March sun feels like May!

All is blue again After last night's rain, And the South dries the hawthorn spray. Only my love's away!
I'd as lief that the blue were gray. * * *

The year's at the spring And day's at the morn And day's at seven;
Morning's at seven;
The hillside's dew-pearled;
The lark's on the wing;
The snail's on the thorn;
God's in His heaven—
All's right with the world ** * *

we not chanted werse like Homer. no-And painted men like Philias and his triend;
I am not great as they are, point by point,
But I have entered into sympathy
With these four, running these into one soul,
Who, separate, knored each other's arts.
Say, is it nothing that I know them all? In "The Inn Album," he says:

Shoots-The Big Skaters at Minneapolis-

week after. Mr. Grout, our captain, was still lame from the effects of the match with the Varsity two days before, which seriously handicapped his usual brilliant playing.

The season as a whole was not as successful as we could wish, partly owing to mischances which prevented several men from participating. Two matches were won those against Trinity College School and Upper Canada College, and three lost, viz., against the Varsity, Ontario Agricultural College and Hamilton. Several members of the first year showed up well, and we can look forward confidently to doing better next season, as but few of this year's team are to leave college at midsum-

doing better next season, as but few of this year's team are to leave college at midsummer. No Association playing was indulged in this year after the Rugby season was over, as is usually done, since the clerk of the weather was not propitious to us. The men have been using the gymnasium instead, which has been fitted up this term and is now really serviceable, instead of being of little or

CHAMPIONSHIP SKATERS.

great Scandinavian skater, but proposes that t shall be for big money, as he will be sacriit shall be for big money, as ne will be sacrificing his standing as an amateur when he races Paulsen. Donoghue's record—made in Europe on a four-lap course—is 2.57. Paulsen's mile record—made in Brooklyn also on a four-turn course—is 3.26. McCormick's best mile—on a fourteen lap course—is 2.55.

THE M.CARTHY NOLAN FIGHT, No Fairer Fighter Than Cal. Ever Stepped Into the Ring.

oreca at since Slavin is no doubt a good man in a pugilistic sense, while Jem Smith is one of the worst of exploded phenomena. Back of him there has long been a set of the most most notorious toughs in England, men with as little sense of fair play as a pack of wolves. The reports show that they was in will force.

H. H. Robertson, Hamilton, is staying at he reports show that they were in full force the Queen's.

Shoots at Stark's and Ayre's. On Christmas morning there was a very successful turkey shoot at Stark's athletic grounds. There were three sweare at the Rossin.

Bowling on the Green.

A large number of the members of the Prospect Park Bowling Club met Christmas afternoon to exchange the compliments of the season. The weather was beautiful and the grass on the lawn reported good. Rinks were soon formed and a very keenly contested game played and thoroughly enjoyed. The A. B. Crosby, H. W. Smith,

I. W. Smith, H. Wostman, D. Day, W. J. Hynes, B. J. Grayskin...13. R. Malcolm 8kip. The Toronto's win in the Rink On Christmas morning there was a very teresting game of Association football in the Metropolitan Rink, Shaw-street. The pposing teams were the hitherto unbeaten forontos and a strong picked six. The corontos sustained their reputation by again oming out victorious, this time by one goal

A RITH WITH THE HOUNDS

One of the Rest Outlings of the Sesson-Nor Big Jumps. About twenty-five members of the Toronto Hunt Club enjoyed one of the best runs of the season on Christmas afternoon. Mrs. Carruthers galloped Glen Fox. The master, Dr. Smith, was on his favorite, Isaac. Dr.

Moorehouse rode Glenmore. Mr. Pepper gave
Mand some terrific jumps. Roseberry, the
world's champion jumper had Tim, the
huntsman in the saddle.

The start was at Slatterry's, then over the
old Carlton race course, up to Foxwell's farm,
across the Scarlett property and the finish at
Sunnyside. The running was good and the
jumping away above the ordinary, Roseberry
and Maud being given some very high
fences.

or two.

The officials of the Detroit club are not losing any sleep over the desertion of Rochester and Toledo, and say everything will turn out all right by the time the season turn out all right by the time the season opens.

Treasurer Zimmer and Secretary Herzberger of Rochester are opposed to the jump into the American Association and will probably withdraw. A meeting of the stockholders will he held at the Hotel Bartholmay this evening when more will be known of Rochester's status.

CHAMPIONSHIP SKATERS,

McCermick, Paulsen and Doneghue to Skate
in Minneapolis.

Minneapolis,

Buffalo does not enjoy a losing club and will not support one, as Rowe, White, et al, should know from last season's International experience. Rochester Union and Advertiser, Buffalo has been near the tail end the triumvirate of great skaters who are here to decide the interesting question as to who is champion. McCormick is anxious to skate Axel Paulsen three to 10 miles, Donoglue, the New York skater, also wants to meet the great Scandinavian skater, but proposes that it shall be for big money, as he will be sacritiser.

Zachariah Phelps reached the height of his ambition when elected to the presidency of the American Association. In his effort to reach the vantage place he kicked everything down behind him and is now left high and dwill not support one, as Rowe, White, et al, should know from last season's International experience.

Zachariah Phelps reached to the presidency of the American Association. In his effort to reach the vantage place he kicked everything down behind him and is now left hight and virging the stream of the presidency of the American Association. In his effort to reach the vantage place he kicked everything down behind him and is now left high and the stream of the presidency of the American Association.

dry with nothing worth speaking about to preside over.—Cincinnati Enquirer. Spots of Sport. The receipts of the Princeton-Yale football game at Berkeley Oval, Thanksgiving Day, were \$15,307. were \$15,307.

Sullivan was asked by wire if he would spar with Kilrain at a New Orleans benefit next month. He immediately telegraphed back in this wise: "What do you take me for?" The Prospect Park Club are sorry they did

The reports show that they were in full force at the ring side, and under the circumstances Slavin was probably lucky to escape with his life. If the referee had done his duty the fight would have been awarded to Slavin, but, like the toughs back of Smith, he seems to have been another illustration of "British fairplay."—Chicago Inter-Ocean.

Shoots at Stark's and Ayre's.

successful turkey shoot at Stark's athletic grounds. There were three sweeps at five birds each, Toronto Gun Club rules, 28 yards rise, use of one barrel. There were nine entries for the first sweep, which was won by Mr. Kemp with four birds. Mr. Charles won the second, knocking down five straight. The third sweep was divided between Messrs. Page and Budd, each making four.

At Ayre's grounds in the morning there

Page and Budd, each making four.

At Ayre's grounds in the morning there was some lively shooting at pigeons. The five sweeps were won respectively by Messrs.

C. Kemp, Charles, Wells, Budd and Briggs, each marksman knocking down five straight. Some sparrow shots also took place afterwards.
