### TOM ALLEN vs. GILBERT.

There is considerable excitement in prizering circles in London, Eng., over the coming fight between Tompkins Gilbert, the champion of England, and Tom Allen, the champion of America. All the stakes, £100, have been posted, and the contest is to take place in the London district on Oct. 29. Gilbert is over six feet in height and weighs over sixteen stone. The conditions are catch weight, and the battle is to be tought according to the new rules of the London prize ring. Allen is in training for the contest under the tutorship of Donnelly, the American who came over with him. Jim Stewart the Scotch giant, has challeged the winner to fight, under the same conditions, for £100 to £200 a side.

### TORONTOS vs. MONTREAL.

It was arranged that the return match between the Torontos and Montreal should be played here last Saturday. The home club made all preparations for the game, but almost at the last hour received notice that the Montreal team could not come. So determined, however, were the Torontos to wipe off their defeat at Montreal a short time ago. that they collected their team together and started for Montreal on Friday evening. iliaving previously ar anged to play on Saturday in that city. The result of the game is easily told. Notwithstanding the fatigue of such a long journey the Torontos placed the match to their credit in three straight games, occupying 18, 9, and 12 minutes respectively. Another match was agreed upon to be played here on the 18th. This is a bad selection for the date, being the same day as the Hanlan-Ross boat race.
