

FOREIGN NEWS.

It is said a proclamation of Kossuth is secretly in circulation in Hungary. Guerrilla parties are formed there. An unsuccessful attempt was made by an Hungarian to assassinate the Austrian Emperor.

QUEREI

Suppose a liquor pedlar or huckster has a shop or booth at an election or other public occasion. It is right for a BELLMAN A SON OF TEMPERANCE to ring the liquor bell for him at a distance to cry—liquor for sale! liquor for sale! liquor for sale! Will the Spirit answer!

The Richmond 11th Anniversary Soiree came off on the 11th inst. We attended and addressed the audience. The audience was also ably addressed by Judge Marshall and the Rev. T. T. Howard.

MARKETS.

Toronto, 14th March, 1853. The weather continues for March very cold with constant flurries of snow. Influences of a violent kind are very prevalent. In the lack counties the sleighing is still good. The wheat and meat markets are about stationary.

We regret to announce the death of the Rev. Thomas Spencer, M. A., late Editor of the London (England) Temperance Chronicle. He died in London (England) on the 26th January last. The Temperance Chronicle is an ably conducted and widely circulated English Temperance Magazine.

Our Agents would greatly oblige by canvassing their neighborhoods. There are many who only require to be asked to subscribe. To pay even a moderate compensation in 1853 we require at least 500 more subscribers. This number could be obtained for this paper in one month were our agents active.

DOMESTIC NEWS.

A man named Jones hung himself about a week ago in Toronto—he was in embarrassed circumstances. The steam boats are making active preparations to commence in April. The Peewee is to run between Toronto and Niagara twice a day. The Queen of the West is to run twice between Toronto and Hamilton. A Pirenological Society has been formed in Toronto. A ladies' bazaar under the patronage of the Roman Catholic Society is to be held in St. Lawrence Hall on the 17th inst. Patrick's day. It is said the Steamer Chief Justice passed the floating dead body of a female between the Island and Niagara, and that the captain refused to stop the boat and convey the body to land. Mr. Good, foundryman of this city is building a railroad locomotive for the Northern Railway that will cost £12,000. The Mayor and Sheriff Jarvis have gone to Quebec to attend to the interests of the city in relation to the esplanade, and water lots, &c. Judge Ackland of Huron has been impeached for misconduct, and a commission to enquire into the matter has been issued to J. Bell, Esq., Barrister. The Princess Royal commenced to ply between Toronto and Wellington Square yesterday. The Toronto Harbor is open up to George's Wharf.—The Odd Fellows gave a ball on the 11th ult. in this city. The Dr. A. M. Gordon, who lately ran away with Mrs. Hawke, of Simcoe, is a yankee root doctor, late of the Elgin Buildings, Toronto. Hold them up to public scorn. In the latter end of February a severe snow occurred in Lower Canada. The snow is now three or four feet deep there. A cargo of unmarried girls numbering several hundreds were lately sent to California. A cargo of 800 girls left England some months ago for Australia.

PARLIAMENTARY.

On the 8th inst. Mr. Brown's bill to amend the usury laws, passed a third reading on a vote of 42 to 31. This is a very necessary Canadian measure. Mr. McKenzie complains that much of the time of Parliament is taken up in passing religious corporation bills. He thinks that the priests are secretly influencing the French members to take this course. Dr. Rolph's marriage act is a very sensible and good one, leaving to the parties their choice to be married with a religious ceremony, or by a justice of the peace. A bill to amend and increase the jurisdiction of the Division Courts is before the House and will probably pass. They are to be vested with small equity powers. It is referred to the House in committee of the whole to be discussed on the 11th inst. The Government Bills now before the House and promised are as follows:—County Court Equity Jurisdiction Bill. University Bill—read a second time. Ecclesiastical and Charitable Corporations Bill—do. Executive Legislative Council Bill. Representation Bill—read a second time. Lower Canada Municipal Bill. Lower Canada Road Bill. Upper Canada Jury Bill. Upper Canada Municipal Bill. Elective Franchise Bill. A bill to distribute the business of the Superior Courts of Upper Canada. Division Court Bill. Boundary Line Adjustment Bill. Public Lands Sale Bill. Upper Canada Lunatic Asylum Bill. Crown Timber Protection Bill. Marriage Bill—read a second time. Lower Canada Asylum Bill. Currency Bill. Grammar School Bill. Common School Bill. Justices Indictable Offence Bill. Justices Summary Conviction Bill. Justices Protection Bill. Seditious Tenure Bill. Superior Courts' Reform Bill. New Customs' Tariff Bill. "The Legislature must explicitly declare that the Bible, either Protestant or Douay, shall in no case be used as a school book."—Buckwoodman. The above is said to be the language of the Buckwoodman, a paper in Wellington Co. Now we hold such a doctrine worthy only of the vilest slaves and tyrants. Who would suppose any Fellow would recommend our Legislature to forbid the use of the Protestant Bible in this free land? Mr. Prince lately made a motion to have Mr. Hogan, a reporter for the United Empire paper, excluded from the library, because he criticized the appearance of the speaker. It was laughed out of the House. The Representation Bill will undoubtedly pass with some amendments, but we think it should have been based on population.
