## CATARRH:

### A NEW TREATMENT.

Perhaps the most extraordinary success that has been achieved in modern medicine has been attained by the Dixon treatment for Catarrh. Out of 2,000 patients treated during the past six months, fully ninety per cent. have been cured of this stubborn malady. This is none the less startling when it is remembered that not five per cent. of the patients presenting themselves to the regular practitioner are benefited, while the patent medicines and other advertised cures never record a cure at all. Starting from the claim now generally believed by the most scientific men that the disease is due to the presence of living parasites in the tissues, Mr. Dixon at once adapted his cure to their extermination; this accomplished, the Catarrh is practically cured, and the permanency is unquestioned, as cures effected by him four years ago are cures still. No one else has attempted to cure Catarrh in this manner, and no other treatment has ever cured Catarrh. The application of the remedy is simple and can be done at home, and the present season of the year is the most favourable for a speedy and permanent cure, the majority of cases being cured at one treatment. Sufferers should correspond with MESSRS. A. H. DIXON & SON, 300 King Street, west, Toronto, Canada and enclose stamp for their treatise on Catarrh.—*Montreal Star*

## DYSPEPSIA and INDIGESTION

Are very prevalent in America, and it is not a matter to be wondered at that it is so. The American people eat a great deal of Bread. Much of the bread, while light and attractive in appearance, is injurious, because of the inferior elements used in the yeast.

**WARNER'S SAFE YEAST** is guaranteed to be Pure and Wholesome, *Health Preserving* and Efficient. If your Grocer does not keep it, order it by mail of

## Scientific and Useful.

It cannot be a matter of indifference what a man eats and drinks. He is in fact choosing his animal and moral character when he selects his food.

A LIQUID black lead for polishing stoves is made by adding to each pound of black lead one gill of turpentine, one gill of water, one ounce of sugar.

SOAP-TREE bark, that can be bought at any druggist's, is splendid for cleansing any woollen goods or gentlemen's clothes. Pour boiling water over and make a strong decoction, and wash the goods with a brush.

WHEN YOU WANT PEARLINE, be sure you get what you ask for. The market is full of imitations. The genuine is manufactured only by JAMES PYLE, New York.

The addition of three-fourths of an ounce of borax to a pound of soap, melted in without boiling makes a saving one-half in the cost of soap, and three-fourths the labour in washing. It also improves the whiteness of the fabrics. It is also excellent to make the hands soft.

IN making apple-sauce, pare and slice juicy tart apples, put into a tinned or porcelain-lined vessel, pour in half a cup of water to prevent scorching, and cook gently until tender and broken to pieces. Turn out into a bowl, sweeten abundantly, and rub through a clean colander. Set away to cool.

DANGER AHEAD.—There is danger ahead from neglected colds. A tight cough and irritated throat are the warning signs of lurking danger to the lungs. Hagar's Pectoral Balsam cures colds, sore throat, stubborn coughs, and all bronchial and lung troubles.

CHICKEN JELLY FOR INVALIDS.—To a quart of cold water put half a raw chicken cut up fine; let it stand an hour, then boil it slowly till it is reduced to half the quantity; season with salt and pepper if allowed by the doctor. Strain it through a colander first, then through a cloth into a mould.

STEAMED BROWN BREAD.—One cup of rye meal (not flour), one cup of Indian meal, half a cup of graham flour, one cup of milk, half a cup of molasses (syrup will not do), one even teaspoonful of salt, and the same of soda. Sift flour, meal, salt and soda twice together to mix all well. Add the molasses to the milk and work into the flour; knead for five minutes, turn into a greased mold, and steam for three hours. Eat hot; but it is also good when cold.

THE most successful Hair Preparation in the market. If you are bald, if you have thin or gray hair, if you are troubled with falling out of the hair, or dandruff, don't fail to try a bottle of Dr. Dorenwend's Great German Hair Magic, the greatest discovery of the age. Sent to any address on receipt of price, \$1 per bottle, or six for \$5. Direct all communications to A. Dorenwend, sole manufacturers, 105 Yonge Street, Toronto, Canada.

FRIED PIGS' FEET, BREADED.—Buy the pigs' feet ready pickled from your butcher. If they have only been kept in brine, soak three hours and boil until tender. While hot, cover, with boiling vinegar, in which you have put a tablespoonful of sugar and a half-dozen whole black peppercorns for each cupful of vinegar. Do this the day before you cook them for breakfast. Before frying, wipe each piece well, roll in beaten egg, then in cracker crumbs, and cook in plenty of cleared dripping or lard. Drain off the fat and send to the table hot.

IN BAD HUMOUR.—"A year ago my head was covered with sores, and the eruption covered my face also, and spread even until the backs of my hands were sore. I became weak and ill. Finding no cure I tried Burdock Blood Bitters. Two bottles perfectly cured me." Statement of Miss Minnie Stevenson, Cocagne, N. B.

POTATO ROLLS.—One cup of potato, mashed or whipped until smooth and light with two tablespoonfuls of butter and two cups of lukewarm milk, one tablespoonful of sugar, one scant cup of flour, one-half yeast cake dissolved in warm water, one teaspoonful of salt—an even one; mix these together, using but half the flour over night, and leave them to rise. Early in the morning work in the rest of the flour, knead thoroughly and let rise for an hour and a half; mold into small rolls, after a second brisk, hard kneading, set in a pan, and leave in a warm place for half an hour before baking. Send hot to table.

## Scott's Emulsion of Pure COD LIVER OIL, WITH HYPOPHOSPHITES.

For Lung Troubles and Wasting Diseases. Dr. J. In a perfectly elegant and agreeable form."

## THEY SAY

"LOVE LAUGHS AT LOCKSMITHS,"

And we all know that a Million Combination Lock won't keep the average small boy in the house if there happens to be a Circus in town, or a favourable opportunity presents itself for fixing a tin pot attachment to an orphan dog's tail; but only give him one of the LIQUOR TEA CO.'S attractive Boy's Books, and the enthusiastic way in which he will whistle "Home, Sweet Home," and stay there to, is surprising.
