DIED.

How often do we see under this heading the name of some one near and dear to us. Many whose names are thus printed would to day be alive and well if they had put prejudice and poisonous drugs aside and accepted the honest offer we have been making them for years past. During the last nine years we have cured tens of thousands of patients suffering from chronic ailments after all other treatments had failed, by means of our wonderful Electric Medicated Appliances. We have so much faith in our goods that we send them on trial, and do not require payment unless they make a cure. Can you ask anything fairer than this? Different appliances to cure Rheumatism, Dyspepsia, Nervousness, Debility, Asthma, Diseases of the Liver, Kidneys and Lungs, &c. Illustrated book giving full particulars and testimonials from every State in the U. S., and blank for statement of your case sent free. Address Electric Pad Mfg. Co., 44 Flatbush Avenue, Brooklyn, N. Y. Write to day, remember we take the risk of the Appliance failing, the only risk you take is the risk of being cured.
