BRANTFORD

STONE WARE WORKS.

The manufacturing of Stone Ware is one of the oldest
and most important interests of Brantford. Being
established in the Spring of 1849, it has been in con-
stant operation with the exception of a few months
during the winter of 1857-8, and again during the
process of re-building after the fire of the winter of
1872. None but the best sample of New Jersey is
used in the manufacture of this ware, an assortment
of which is kept constantly on hand to supply cus-
tomers. Orders by mail respectfully solicited, and
will receive prompt attention.
