

Good Testimony for the Newcombe Piano.

After a ten years' test here's evidence that thousands in
Canada would truthfully corroborate :

TRURO, N.S., Sept. 13th, 1892.

This is to certify that I have had in use for about ten years one of Newcombe's Pianos, and take great pleasure in saying, that, in my judgment, it is everything that it was represented to be at the time of purchase ; and for quality of tone and evenness of touch they are unsurpassed. The Newcombe Piano is a first-class all-round instrument.
