## AN ELOQUENT TESTIMONIAL

To the great strength and wear resisting properties of our goods. This cut shows one of our typewriter ribbons taken from the smouldering ruins of a building in San Francisco SIX MONTHS AFTER the great fire. The original may be seen in our relic case along with specimens of our ribbons and carbons 10-12-14 years old as good to-day as when first made. This shows that OUR GOODS STAND UP UNDER ALL CONDITIONS. Also shows their remarkable LASTING PROPERTIES.
