Please Yourself

It makes no difference what store you spend your money at for a Broom, IT'S YOUR MONEY and it's your privilege to please yourself by getting what you ask for.

The dealer who has "something exactly as good, madame," is thinking of his own welfare more than yours. Is it reasonable then to suppose that you are going to be pleased with the broom that is substituted for Boeckh's Broom? You can draw your own conclusions, of course.
