

# EATON'S ONE HUNDRED LESSONS IN BUSINESS.

Canadian Teachers well know the value of THE SUPPLEMENT and THE NEW ARITHMETIC of which Mr. Eaton is editor, and the large number who have already purchased his "One Hundred Lessons in Business" are free to testify as to its merits. The work is so new, sensible, attractive, and in every sense practical, that experienced business men pronounce it at once a good thing. Its lessons have been drawn from the counter, the cash-desk, and the counting-room of the largest and best business houses of the country.

This is not a book publication, but an ingeniously arranged course of self-help lessons. Each lesson is complete in itself, and most of them are followed by numerous practical exercises, especially helpful to teachers. Almost any one lesson is worth the price asked for the whole hundred. The business papers, checks, notes, etc., used in some of the lessons are beautifully printed in four colors. A dollar spent for this work may prove the best invested dollar of your life.

Good canvassing agents wanted. Liberal inducements, but no free outfit. The work itself is the very best outfit any agent can possess, and the price of this outfit is one dollar.

A copy of EATON'S ONE HUNDRED LESSONS IN BUSINESS, securely packed in heavy case, will be mailed to any address for ONE DOLLAR. All orders filled promptly. Address,

## THE HIGH SCHOOL DRAWING COURSE.

We are now ready to supply our new

# High School Drawing Book!

BEING NO. 2 OF THE SERIES ON

PRACTICAL GEOMETRY.

This book is in the direct line of the Curriculum. It consists of 36 large pages, beautifully printed, on heavy drawing paper, and fully illustrated with geometrical figures. It contains 50 Problems and 100 Exercises consecutively associated with them, all based on the High School Programme in this Department, and furnishing exactly such matter as a Teacher requires for the proper presentation of this subject before a class. The author is Mr. A. J. READING, a gentleman who was appointed by the Government as one of the Masters of the School of Art, and one in every way well qualified for the work.

Authorization of the Book is applied for. In the meantime it has the approval of the Hon. the Minister of Education; and, being based on the curriculum, it cannot fail to prove of immense advantage in the Examinations in this Department. It must, therefore, come into immediate and exclusive use in all High Schools and Collegiate Institutes.

# LINEAR PERSPECTIVE

NOW READY!

The Retail Trade may place their Orders at once with their Toronto Wholesale Dealers.

This work on Linear Perspective, like that on Practical Geometry, which was lately received with such favor, is in the direct line of the High School curriculum in Drawing. It is a complete compendium of the study; and both in the treatment of the subject and in the artistic merit of the illustrations and letter-press, will at once commend itself to all teachers in this department. There are numerous Exercises, based on the accompanying Problems; the book contains 36 large pages, and is printed on heavy drawing paper. It will be Number 3 of the course.

Authorization of the book is applied for. In the meantime it is approved by the Minister of Education, and, being based on the Programme, is the only work furnishing complete and satisfactory assistance in the approaching examinations.
