If people should stop suddenly some evening telling what they think about other people, and tell what they know about themselves, what a stir up there would be in modern society.

ADVICE TO MOTHERS.

Mrs. WINSLOW'S Soothing Syrup should always be used for children teething. It soothes the child, softens the gums, allays all pain, cures wind colic, and is the best remedy for diarrhoea. 25c a bottle.

In Burmah editors receive elephants in payment for subscription. In this country the paper itself is about all the elephant the editor cares to keep in stock.

It is currently reported that the last cold snap was fatal to the peach blossoms. It is just as well to print paragraphs of this sort now, and have it off our minds. They've got to come, any way you fix it.—Boston Transcript.

"Did you ever go to sea?" asked Mr. Brown of Jones, as he walked into his office the other afternoon. "No, I am no sailor," replied Jones. "I was going to advise you," said Brown, "if you ever did, to be sure and carry Minard's Liniment with you, for it is a whole medicine chest in itself."

"Why didn't you come when I rang?" said a lady to her domestic. "Because I didn't hear the bell." "Hereafter when you don't hear the bell you must come and tell me so." "Yes mum."

STILL ANOTHER.

C. C. Richards & Co., Gents,—I have used Minard's Liniment for rheumatism with great success. Please send by express one dozen bottles, as I cannot purchase it here.

A LETTER FROM DR. HANS VON BULOW.

The Knabe Pianos which I did not know before, have been chosen for my present Concert tour in the United States by my Impresario and accepted by me on the recommendation of my friend, Bechstein, acquainted with their merits. Had I known these pianos as now I do, I would have chosen them by myself, as their sound and touch are more sympathetic to my ears and hands than all others of the country. DR. HANS VON BULOW.

New York, April 6th, 1889 To Messrs. Wm Knabe & Co.

Wm. Sturgeon, the able and famous electrician, rose from a cobbler's bench. We saw a man try to do the same thing once, but he was prevented by a chunk of shoe maker's wax that had been carelessly or mischievously left on the seat of the bench.—Siftings.

If we enter into treaty with Great Britain to swap dynamiters for boodlers we shall be a winner at each end of the line.—N Y. Sun

PUTTNER'S EMULSION OF Cod Liver Oil WITH HYPOPHOSPHITES OF LIME AND SODA.

For all diseases of the Nervous system, as Mental Anxiety, General Debility, Impoverished Blood, &c., it is highly recommended by the medical profession.

St. Andrew's, N.B., 4th Oct. 1889. Messrs. BROWN BROS. & Co. Being very much reduced by sickness and almost given up for a dead man, I commenced taking your Puttner's Emulsion. After taking it a very short time my health began to improve and the longer I used it the better my health became. After being laid aside for nearly a year, I last summer performed the hardest summer's work I ever did, having often to go with one meal a day. I attribute the saving of my life to PUTTNER'S EMULSION.
