IRISH POLITENESS. - Two ladies and Mr. Thaddeus O'Grady were conversing on age, when one of them still another of our well-known and high put the home question, Which of us do you think spectable neighbors has come forward, under a is the eldest?" 'Sure, replied the gallant Irishman, of duty, and made the following statement: you both look younger than each other.'

. If you are sick, the probability is that the root of your suffering is in the stomach. From a weak stomach proceed dyspepsis, languor, oppression in the diaphragm, jaundice, headache, nausea, bodily weakness, dimness of sight, heartburn, costiveness, dysentery, and a legion of other tormenting diseases. Indigestion produces thin blood, and thereby destroys the strength and vigor of the system. To restore the tone of the stomach, and enable it to throw off, and dismiss forever, all these tormenting and dangerous complaints, nothing is necessary but a persevering use of Hoofland's German Bitters, prepared by Dr. C. M. Jackson, Philadelphia, for the Proprietors, Jones & Evans There is no mistake, no failure in their sanative effects.

An important fact in connection with Hoofland's Bitters is, that they will not create a disease worse than that from which they relieve you, by fostering a taste for alcoholic stimulants. Unfortunately, there is a glut of deleterious preparations in the market, composed mainly of Jersey lightning, which are highly intoxicating, and therefore useless and dangerous. Beware of them. Take only Hoofland's German Bitters, which is

A REVOLUTION IN CATHARTIC TREATMENT. - Thousands of persons regard aperient pills as a species of medicine that destroy their own efficacy by repetition. In other words, they suppose that, however moderate may be the number taken at first there is no escape from whole doses in the end. BRISTOL'S SUGAR-COATED PILLS, however, are a grand exception—the only one—to this general rule. The doses are always moderate, four being the usual number of pills for an adult, and six the largest dose. The effect they produce is permanent, and it is not necessary to continue them, in order to prevent a relapse. For constipation, sick and nervous headache, bilious disorders, chills and fever, stomach complaints, general debility, colic, and the irregularities of the female system, they are a specific cure. This may be received as a rule to which there are no exceptions. They are put up in glass vials, and will keep in any climate. In all cases arising from, or aggravated by impure blood, BRISTOL'S SARSA-PARILLA should be used in connection with the

MURRAY & LANMAN'S FLORIDA WATER.-Unlike the generality of toilet waters, which are scented essences and nothing more, this delicious perfume is a fine cosmetic and external remedy. Reduced with pure water, it becomes an excellent wash for the skin, removing roughness, chaps, sucburn, pimples, &c., and imparting rosiness and clearness to the clouded complexion. Applied to the brow it removes headache, and when resorted to after shaving prevents the irritation usually occasioned by that Used as a mouth wash it neutralizes the fumes of a cigar, and improves the condition of the teeth and gams. If the cotton will not remain, take a teaspoonful of the Liniment in a little hot water, as warm as you can bear it in your mouth and hold it there against the tooth as long as possible. Two or three drops, dropped in the tooth, will give relief. The first application may not always stop the pain, but repeated trials will certainly bring about the desired end.
