confidence, recommend our BRISTOL'S SUGAR-COATED PILLS, as combining all the essentials of a sate, thorough and agreeable family cathartic. They are prepared from the very finest quality of wedicinal roots, berbs, and plants, the active principles or parts that contain the medicinal value being chemically separated from the inert and useless fibrous portions that contain no virtue whatever. Among those medicinal agents we may name PODOPHYLLIN, which has proved to possess a most wonderful power over the Liver, and all the billous secretions. This, in combination with LEPTANDRIN and other highly valuable vegetable extracts and crugs, constitutes a purgative Pill that is greatly superior to any medicine of the kind heretofore offered to the public. BRISTOL'S VEGE.

In diseases which have their origin in the blood, BRISTOL'S SARSAPARILLA -that best of blood purifiers—should be used with the Pills; the two medicines being prepared expressly to act in harmony together. When this is done faithfully, we have no hesitation in saying that great relief, and in most cases a cure, can be guaranteed when the patient is not already beyond human help.
