Dear Sir,

The two 30-6 Viking Boilers (twinned)  
manufactured by Warden King, Limited, and supplied  
by you with our new hot water heating system,  
have been found highly satisfactory in every way.

Yours truly

*Note, The above Boilers  
are connected to  
2360 square feet of  
+ not more than one  
Boiler has been in operation  
at any one time during  
the season. R. Macmillan*

The above is a facsimile of a letter from one of the many satisfied users of the **VIKING BOILER**, with some additional information from the heating contractor concerning the installation referred to.
