HOSPITAL REMEDIES.

There is a new departure in the treatment of disease. It consists in the collection of the specialties used by noted specialists of Europe and America and bringing them within the reach of all. For instance the treatment pursued by special physicians who treat indigestion, stomach and liver troubles only, was obtained and prepared. The treatment of other physicians celebrated for curing catarrh were procured, and soon till these medicinal remedies now include disease of the lungs, kidneys, female weakness, rheumatism and nervous debility. Ask your druggist for them. Those who cannot procure these remedies from the druggist may remit the price to Hospital Remedies Co., 304 West King St., Toronto, and the remedy will be shipped to the address. The price is one dollar each. Descriptive catalogue sent on receipt of stamp to pay postage.
