CD/CW/82

This volume covers working papers tabled in the 1982-83 session of the Committee on Chemical Weapons (ARCCW) during 1982 and 1983. It is compiled to facilitate discussion and research on the issue of Chemical Weapons.

Not all submitted working papers from the ARCCW have been reproduced here. Some papers were also tabled in plenary and given a CD number. These can be found in the relevant annual volumes for plenary official documents (WP) Other papers were of confidential nature (relating mainly to procedural matters) that they have not been reproduced.

Note that the index is a chronological listing while the documents themselves are arranged in numerical order by CD/WP number.
