

And the question being put on the main motion, it was agreed to, on division.

Accordingly, the said bill was read the third time, on division, and passed.

Bill C-134, An Act to amend the Coastal Fisheries Protection Act, as reported (without amendment) from the Standing Committee on Fisheries and Forestry, was concurred in at the report stage.

Mr. Davis, seconded by Mr. Macdonald (Rosedale), moved,—That the said bill be now read a third time and do pass.

And debate arising thereon;

Mr. Crouse, seconded by Mr. McQuaid, moved in amendment thereto,—That all the words after the word "That" be struck out and the following substituted therefor:

"this bill be not now read a third time but be referred back to the Standing Committee on Fisheries and Forestry with an instruction that the Committee consider inserting therein a provision that where the Lieutenant Governor in Council of a province so recommends the Governor in Council shall make regulations to authorize foreign fishing vessels to enter Canadian fisheries waters, or persons to be in that province or in Canadian fisheries waters, for the purpose of doing in that province all or any of the things described in paragraphs (b), (c) and (d) of subsection (2) of section 3 of the Coastal Fisheries Protection Act."

And debate arising thereon;

Mr. DEPUTY SPEAKER: Before putting the question, which I intend to do, may I say a word about the amendment. I have had a chance to reflect on it in more detail and wish to introduce at this stage a *caveat*. It seems to me, after reflecting, that the amendment goes beyond the scope of the amending bill. Since the amendment has been put to the House however, I think all honourable Members will probably agree that the House ought to decide on it.
