Mr. Speaker: I declare the motion carried.

Mr. Cafik: On a point of order, Mr. Speaker, since we are imbued with the yuletide spirit, I wonder if it might be fair to allow the opposition to vote twice, in view of their small numbers.

Mr. McGrath: What are you talking about?

Mr. Baldwin: On a point of order, Mr. Speaker, let it be recorded that almost 50 Liberals are absent and did not take part in the vote.

Mr. Speaker: Is the hon. member for Regina East rising on a point of order?

Mr. Burton: Mr. Speaker, I know that the President of the Privy Council (Mr. MacEachen) wants to rise to move a motion dealing with the suspension of sitting. I wonder if he would mind delaying moving his motion until the next item on the order paper has been called, in order that I might introduce a bill standing in my name on the order paper.

Mr. Speaker: Is this agreed?

Some hon. Members: Agreed.
